Worker's Compensation Coverage Enforcement

Under state law, effective August 28, 1993, any city or county that issues business license must require a certification of insurance for workers comp coverage prior to issuance of a license, we ask that you comply by answering the questions below.

1. Are you subject to worker's comp?

_____ YES or _____ NO

2. If the answer to the above question is "yes". You need to provide a copy of your worker's comp insurance with your application for business license.
