The words and terms described herein shall have the meanings ascribed to them in the Indenture or the Lease unless some other meaning is plainly indicated.

The net proceeds received from the sale of the Series 2020 Certificates, will be used to provide funds to finance and refinance the costs of constructing an approximately 92,000 square foot Community Center housing gymnasiums, a competitive style pool with diving well, a separate leisure style pool, meeting rooms, convention space, a full commercial kitchen, a catering kitchen, concession stand, senior center, fitness area, elevated walking track, party rooms, office space and a studio for yoga, aerobic and dance (the “**Project**”) and to current refund the City’s Certificates of Participation (Bank Qualified), Series 2012A (the “**Refunded Certificates**”);

The Series 2020 Certificates shall mature on the dates, in the years and in the amounts and bear interest at the interest rate or rates and be offered at the initial public offering price or prices, all as set forth in **Schedule I** hereto.

This offer is made subject to your acceptance of this Certificate Purchase Agreement on or before 10:00 p.m. (CDT) on the date hereof. Upon execution and delivery of this Certificate Purchase Agreement by the City and the Trustee, this Certificate Purchase Agreement shall be binding upon each of you and the Underwriter.

The term “**Transaction Documents**” when used herein shall mean, individually and collectively, the following: the Series 2020 Certificates; the Base Lease; the Lease; the Indenture; this Certificate

Purchase Agreement; the Escrow Agreement; the Tax Compliance Agreement; the Preliminary Official Statement (as hereinafter defined); the Official Statement (as hereinafter defined); the Continuing Disclosure Undertaking relating to the Series 2020 Certificates; and any and all other documents or instruments which evidence or are a part of the transactions referred to herein or in the Official Statement or contemplated hereby or by the Official Statement; provided, however, that when the term “Transaction Documents” is used in the context of the authorization, execution, delivery, approval or performance of Transaction Documents by a party thereto, the same shall mean only those Transaction Documents that provide for or contemplate the authorization, execution, delivery, approval or performance by such party.

1. **Purchase, Sale and Delivery of the Series 2020 Certificates.** Upon the terms and conditions and upon the basis of the representations, warranties and covenants contained herein and in the other agreements referred to herein, and subject to the terms and conditions herein set forth, at the Closing Time (hereinafter defined) the Underwriter agrees to purchase the Series 2020 Certificates from the Trustee at a purchase price of \$ _____ (which is equal to the principal amount thereof, less an underwriter’s discount of \$ _____, plus a net original issue premium of \$ _____).

The City acknowledges and agrees that (i) the purchase and sale of the Series 2020 Certificates pursuant to this Certificate Purchase Agreement is an arm’s-length commercial transaction among the City, the Trustee and the Underwriter, (ii) in connection with such transaction, the Underwriter is acting solely as a principal and not as an agent or a fiduciary of the City, (iii) the Underwriter has not assumed (individually or collectively) a fiduciary responsibility in favor of the City with respect to the offering of the Series 2020 Certificates or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising the City on other matters) or any other obligation to the City except the obligations expressly set forth in this Certificate Purchase Agreement and (iv) the City has consulted with its own legal and financial advisors to the extent it deemed appropriate in connection with the offering of the Series 2020 Certificates.

2. **Public Offering.** The Underwriter intends to make an initial bona fide public offering of all of the Series 2020 Certificates at the prices set forth in **Schedule I**; provided, however, that the Underwriter may subsequently change such offering price or prices. The Underwriter agrees to notify the City of such changes, if such changes occur prior to Closing, but failure to so notify shall not invalidate such changes. The Underwriter may offer and sell the Series 2020 Certificates to certain dealers (including dealers depositing the Series 2020 Certificates into investment trusts) at prices lower than the principal amount thereof. The Underwriter also reserves the right to (i) over-allot or effect transactions which stabilize or maintain the market price of the Series 2020 Certificates at levels above those that might otherwise prevail in the open market, and (ii) discontinue such stabilizing, if commenced, at any time without prior notice.

The City acknowledges and agrees that: (i) the primary role of the Underwriter, as an underwriter, is to purchase securities, for resale to investors, in an arm’s length commercial transaction between the City and the Underwriter and the Underwriter has financial and other interests that differ from those of the City; (ii) the Underwriter is acting solely as a principal and is not acting as a municipal advisor, financial advisor or fiduciary to the City and has not assumed any advisory or fiduciary responsibility to the City with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City on other matters); (iii) the only obligations the Underwriter has to the City with respect to the transaction contemplated hereby expressly are set forth in this Certificate Purchase Agreement; and (iv) the City has consulted its own financial and/or municipal, legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate.

In conjunction with (i) an audit or inquiry by the Internal Revenue Service or the Securities and Exchange Commission (the “*SEC*”) relating to the pricing of the Series 2020 Certificates, or (ii) the implementation of future regulation or similar guidance from the Internal Revenue Service, the SEC or other federal or state regulatory authority regarding the retention of pricing data for the Series 2020 Certificates, at the request of the City, the Underwriter will provide information explaining the factual basis for the Underwriter’s representations in the Issue Price Certificate relating to the pricing of the Series 2020 Certificates, other than information that would identify customers (e.g., name or account number). This agreement by the Underwriter to provide such information will continue to apply after the Closing Date but shall not extend to any customer data or other confidential or proprietary information of the Underwriter.

3. **Establishment of Issue Price.**

The Underwriter agrees to assist the City and Bond Counsel (defined below) in establishing the issue price of the Series 2020 Certificates and shall execute and deliver at Closing an “issue price” or similar certificate (the “*Issue Price Certificate*”), together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit A**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2020 Certificates.

The City will treat the first price or prices at which 10% of each maturity of the Series 2020 Certificates (the “*10% test*”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Certificate Purchase Agreement, the Underwriter shall report to the City and Bond Counsel the price or prices at which it has sold to the public each maturity of Series 2020 Certificates. For purposes of this section, if Series 2020 Certificates mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2020 Certificates.

The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2020 Certificates to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) to report the prices at which it sells to the public the unsold Series 2020 Certificates of each maturity allocated to it, whether or not the Closing Date (as defined in **Section 5**) has occurred, until either all Series 2020 Certificates of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2020 Certificates of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2020 Certificates that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2020 Certificates to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2020 Certificates to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2020 Certificates to the public to require each broker-dealer that is a party to such third-party distribution agreement to report the prices at which it sells to the public the unsold Series 2020 Certificates of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2020 Certificates of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2020 Certificates of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer.

The City acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2020 Certificates to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2020 Certificates, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2020 Certificates to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2020 Certificates, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2020 Certificates.

The Underwriter acknowledges that sales of any Series 2020 Certificates to any person that is a related party to an underwriter participating in the initial sale of the Series 2020 Certificates to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of the above:

(i) “**public**” means any person other than an underwriter or a related party,

(ii) “**underwriter**” means (A) any person that agrees pursuant to a written contract with the City to participate in the initial sale of the Series 2020 Certificates to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2020 Certificates to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2020 Certificates to the public),

(iii) a purchaser of any of the Series 2020 Certificates is a “**related party**” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “**sale date**” means the date of execution of this Certificate Purchase Agreement by each party.

4. **Preliminary Official Statement and Official Statement.** The City hereby consents to the use by the Underwriter (subject to the right of the City to withdraw such consent for cause by written notice to the Underwriter) of the Preliminary Official Statement, dated _____, 2020 (which, together with the cover page, and any exhibits, appendices, maps, pictures, diagrams, reports and statements included therein or attached thereto and any amendments and supplements that may be authorized for use with respect to the Series 2020 Certificates, is herein called the “**Preliminary Official Statement**”), in connection with the proposed offering of the Series 2020 Certificates. The City hereby deems the information contained in the Preliminary Official Statement to be “final,” as of its date for purposes of Rule 15c2-12 (the “**Rule**”) promulgated under the Securities Exchange Act of 1934, as amended, except for the omission of certain information permitted to be omitted by such Rule, such as offering prices, interest rates, selling compensation, aggregate principal amounts, principal per maturity, delivery dates, ratings, identity of the purchasers and other terms of the Series 2020 Certificates depending on such matters.

The City shall deliver to the Underwriter within seven business days after the date hereof, the Official Statement (which, together with the cover page, and any exhibits, appendices, maps, pictures, diagrams, reports and statements included therein or attached thereto and any amendments and supplements that may be authorized for use with respect to the Series 2020 Certificates, is herein called the “**Official Statement**”) executed on behalf of the City by duly authorized representatives in electronic format to enable the Underwriter to provide the Official Statement to potential customers and to comply with any rules of the Municipal Securities Rulemaking Board and the Securities and Exchange Commission.

The City agrees to provide to the Underwriter all information necessary to comply with the Rule and to execute Series 2020 Certificates to the effect set forth in this Section.

If, after the date of this Certificate Purchase Agreement and until the earlier of (i) ninety days after the “end of the underwriting period” (as defined in the Rule) or (ii) the time when the Official Statement is available to any person from the Municipal Securities Rulemaking Board, but in no case less than twenty-five days following the end of the underwriting period, an event relating to or affecting the City shall occur as a result of which it is necessary, in the opinion of Special Counsel or counsel to the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances then existing, the City shall forthwith prepare and furnish to the Underwriter in electronic format an amendment of or supplement to the Official Statement (in form and substance satisfactory to counsel to the Underwriter) which shall amend or supplement the Official Statement so that it shall not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements not misleading. The expenses of preparing such amendment or supplement shall be borne by the party who had supplied the information being amended or supplemented. For the purpose of this Section, the City shall furnish to the Underwriter such information with respect to itself as the Underwriter may from time to time reasonably request.

5. **Representations and Warranties.** By its acceptance hereof the City hereby represents and warrants to, and agrees with, the Underwriter and the Trustee as follows:

(a) **Status of the City.** The City is and will be on the Closing Date a third-class city and political subdivision, duly organized and validly existing under the Constitution and the laws of the State of Missouri with all the necessary power and authority pursuant to the Constitution and the laws of the State of Missouri to (i) operate, repair and maintain its governmental facilities, (ii) execute and deliver the Transaction Documents and (iii) carry out and consummate the transactions contemplated by the Transaction Documents.

(d) **Approvals.** All approvals, consents, authorizations, certifications and other orders of any governmental authority, board, agency or commission having jurisdiction, and all filings with any such entities, which would constitute a condition precedent to or would materially adversely affect the performance by the City of its obligations hereunder or under the Transaction Documents or the consummation of the transactions contemplated in such documents or in the Official Statement have been duly obtained, except for such approvals, consents and orders as may be required under the "Blue Sky" or securities laws of any state in connection with the offering and sale of the Series 2020 Certificates. The financing as contemplated by the Preliminary Official Statement and the Official Statement is consistent with and does not violate or conflict with the terms of the various consents, approvals or findings of non-reviewability of any such agencies or entities.

(e) **No Litigation.** Except as described in the Official Statement, there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to the City's knowledge, threatened against or affecting the City (or, to the City's knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would have a material adverse effect on the transactions contemplated hereby, the validity or enforceability of the Series 2020 Certificates, this Certificate Purchase Agreement or any agreement or document which is used or contemplated for use in the consummation of the transactions contemplated hereby or the financial condition of the City.

(f) **No Conflict or Breach.** The City is not in breach of or default under (i) any applicable law or administrative regulation of the State of Missouri or the United States or any applicable judgment or decree or (ii) any loan agreement, indenture, bond, note, resolution, ordinance, agreement or other instrument to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice or both, would constitute an event of default under any such instrument; and neither the execution and delivery of any of the Transaction Documents, or the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the terms and conditions thereof conflicts with or constitutes a breach of or default under (i) any applicable law, administrative regulation, judgment or decree or (ii) under the terms of any loan agreement, indenture, bond, note, resolution, ordinance, agreement or other instrument to which the City is a party or is

otherwise subject; nor shall any such execution, delivery, adoption, fulfillment or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the City (i) under the terms of any such law, administrative regulation, judgment or decree or (ii) under the terms of any such loan agreement, indenture, bond, note, resolution, ordinance, agreement or other instrument, except as provided by the Transaction Documents.

The City shall not take or omit to take any action which action or omission shall in any way cause or result in the proceeds from the sale of the Series 2020 Certificates being applied in a manner other than as provided in the Transaction Documents and as described in the Preliminary Official Statement and the Official Statement.

(l) **Securities Law Cooperation.** The City agrees to cooperate with the Underwriter and its counsel in any reasonable endeavor to qualify the Series 2020 Certificates for offering and sale under the securities or “Blue Sky” laws of such jurisdictions of the United States as the Underwriter may reasonably request; provided, however, that the City shall not be required to file written consents to suit or to file written consent to service of process in any jurisdiction. (r) **Continuing Disclosure.** The City will undertake, pursuant to the Continuing Disclosure Undertaking, to provide certain annual financial and operating information as required under the Continuing Disclosure Undertaking, and notices of the occurrence of certain events, if material. (c) **No Conflict or Breach.** The execution and delivery of Transaction Documents and the consummation of the transactions contemplated thereby, and the performance of or compliance with the terms and conditions of the Transaction Documents and other documents relating to the execution and delivery of the Series 2020 Certificates will not conflict with or result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement or instrument to which the Trustee is a party or by which it or any of its property is bound, or the Trustee's Articles of Association or Bylaws or any order, rule or regulation applicable to the Trustee or any of its property of any court or governmental body, or result in the creation or imposition of any prohibited lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Trustee under the terms of any instrument or agreement to which the Trustee is a party.

(d) **No Litigation.** To the knowledge of the Trustee, there is no litigation or proceeding pending or threatened against the Trustee or any other person affecting the right of the Trustee to execute or deliver the Transaction Documents or to comply with its obligations under the Transaction Documents. each maturity in the principal amount of such maturity shall be deposited with or held by the Trustee pursuant to the FAST procedures of The Depository Trust Company (“DTC”) not less than one business day prior to the Closing Date. The documents to be delivered to the Underwriter pursuant to this Certificate Purchase Agreement shall be deemed to be in compliance with the conditions of this Certificate Purchase Agreement if, but only if, in the reasonable judgment of the Underwriter and its counsel, they are satisfactory in form and substance. No condition hereof shall be deemed to have been waived by the Underwriter, unless expressed specifically in a writing signed by the Underwriter.

(a) (i) Legislation shall be enacted or for the first time actively considered for enactment by the Congress, or recommended to the Congress for passage by the President of the United States, or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, or (ii) a decision by a federal court of the United States or the United States Tax Court shall be rendered, or a ruling or regulation by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed with respect to federal taxation upon revenues or other income to be derived by the City pursuant to the Transaction Documents, or upon the Interest Component of Rental Payments represented by the Series 2020 Certificates or securities of the general character of the Series 2020 Certificates, or (iii) other action or events shall have occurred or transpired, any of which has the purpose or effect, directly or indirectly, of materially adversely affecting the federal or Missouri income tax consequences of any of the transactions contemplated in connection herewith, or that securities of the general character of the Series 2020 Certificates shall not be exempt from registration under the Securities Act of 1933, as amended, and as a consequence, in the opinion of the Underwriter, materially adversely affects the market for the Series 2020 Certificates or the ability of the Underwriter to enforce contracts for the sale of the Series 2020 Certificates at the contemplated offering prices; or

(b) There shall exist any fact or any event shall have occurred that either (i) makes untrue or incorrect any statement of a material fact or material information contained in the Official Statement as then amended or supplemented or (ii) is not reflected in the Official Statement as then amended or supplemented, but should be reflected therein in order to make the statements and information contained therein not misleading in any material respect, and, in either such event, the City refuses to permit the Official Statement to be supplemented or corrected in a form and manner approved by the Underwriter or supply such statement or information or if such supplement or correction would, in the opinion of the Underwriter, materially adversely affect the market for the Series 2020 Certificates or the ability of the Underwriter to enforce contracts for the sale of the Series 2020 Certificates at the contemplated offering prices; or

(c) The formal declaration of war or engagement in military conflict or hostilities whether conventional, nuclear and/or biological, by the United States or by other sovereign state or states against the United States or the occurrence of any military conflict or hostilities whether conventional, nuclear and/or biological, involving the United States without the benefit of a formal declaration of war by the United States or any conflict involving the armed forces of the United States shall have escalated beyond the level of such conflict as of the date hereof, or the occurrence of any acts of terrorists or attacks by terrorists within or outside of the borders of the United States which would cause the effective operation of the government of the United States to cease or which would cause the Underwriter to be unable to carry on its regular business or the effect of which on the financial markets of the United States would, in the opinion of the Underwriter, materially adversely affect the market for the Series 2020 Certificates or the ability of the Underwriter to enforce contracts for the sale of the Series 2020 Certificates at the contemplated offering prices; or the occurrence of any other national emergency or calamity, including natural disasters, which would cause the effective operation of the government of the

United States to cease or which would cause the Underwriter to be unable to carry on its regular business or the effect of which on the financial markets of the United States would, in the opinion of the Underwriter, materially adversely affect the market for the Series 2020 Certificates or the ability of the Underwriter to enforce contracts for the sale of the Series 2020 Certificates at the contemplated offering prices; or

(d) There shall be in force a general suspension of trading or material limitation on the New York Stock Exchange or a general banking moratorium shall have been declared by federal, Missouri or New York authorities, the effect of which on the financial markets of the United States would, in the opinion of the Underwriter, materially adversely affect the market for the Series 2020 Certificates or the ability of the Underwriter to enforce contracts for the sale of the Series 2020 Certificates at the contemplated offering prices; or

(e) There shall have occurred since March 31, 2019, any material adverse change in the affairs of the City from that reflected in the information concerning the City contained in the Official Statement not otherwise disclosed in the Official Statement; or

(f) There shall have occurred an imposition by the New York Stock Exchange, or any governmental authority, of any material restrictions not now in force with respect to the Series 2020 Certificates or obligations of the general character of the Series 2020 Certificates or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, underwriters; or

(g) There shall have occurred the imposition of an order, decree or injunction of any court of competent jurisdiction, or order, ruling, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Series 2020 Certificates or the issuance, offering or sale of the Series 2020 Certificates, including any or all underlying obligations, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities law as amended and then in effect; or

(h) The Official Statement is not executed, approved and delivered in accordance with **Section 4** above; or

(i) Any representations of the City contained in this Certificate Purchase Agreement or in any Transaction Document shall prove to be or to have been false in any material respect or there shall have occurred any material adverse change in the affairs or financial condition of the City, not otherwise disclosed to the Underwriter or in the Official Statement; or

(j) Litigation or an administrative proceeding or investigation shall be pending or threatened affecting, contesting, questioning or seeking to restrain or enjoin (i) the issuance or delivery of any of the Series 2020 Certificates or the payment, collection or application of the proceeds of the Series 2020 Certificates or of other moneys or securities pledged or to be pledged under the Transaction Documents; (ii) the validity of the Series 2020 Certificates or the excludability from gross income for federal income tax purposes of the Interest Component of Rental Payments represented by the Series 2020 Certificates; (iii) the validity of any of the Transaction Documents or any proceedings taken by the City with respect to any of the foregoing; (iv) the creation, organization or existence of the City or the titles to office of any members of the City Council of the City or officers or its power to engage in any of the

transactions contemplated by the Transaction Documents; (v) the incorporation, organization or existence of the City; or (vi) the legal power or authority of the City to enter into and engage in any of the transactions contemplated by this Certificate Purchase Agreement or the Transaction Documents.

The Underwriter acknowledges that no such event exists as of the date hereof that would permit the Underwriter to cancel its obligations pursuant to this Certificate Purchase Agreement.

10. **Representations, Warranties and Agreements to Survive Delivery.** All of the City's and the Trustee's representations, warranties and agreements contained in this Certificate Purchase Agreement shall remain operative and in full force and effect, regardless of: (i) any investigations made by or on behalf of the Underwriter; and (ii) delivery of and payment for the Series 2020 Certificates pursuant to this Certificate Purchase Agreement; provided, however, that such representations, warranties and agreements continue to be construed as having been given solely on the date hereof and shall not be deemed to refer to any future date or period except as otherwise expressly provided herein or as otherwise expressly agreed. The agreements in **Section 11** hereof shall survive any termination of this Certificate Purchase Agreement.

11. **Payment of Expenses.** Whether or not the Series 2020 Certificates are sold to the Underwriter (unless such sale be prevented at the Closing Time by the Underwriter's default), the Underwriter shall be under no obligation to pay any expenses incident to the performance of the City's obligations hereunder. If the Series 2020 Certificates are delivered by the Trustee to the Underwriter, all expenses and costs to effect the authorization, preparation, execution and delivery of the Series 2020 Certificates (including, without limitation, the fees and disbursements of Special Counsel, the fees and disbursements of counsel to the City and counsel to the Underwriter, the fees and disbursements of the Underwriter in connection with the offering and sale of the Series 2020 Certificates, the charges of any rating agency in connection with the Series 2020 Certificates and the expenses and costs for the preparation, printing, photocopying, execution and delivery of the Series 2020 Certificates, this Certificate Purchase Agreement and all other agreements and documents contemplated hereby) shall be paid by the Trustee out of the proceeds of the Series 2020 Certificates. If the Series 2020 Certificates are not delivered by the Trustee to the Underwriter (unless such sale be prevented at the Closing Time by the Underwriter's default), all such expenses and costs shall be paid by the City.

If the Series 2020 Certificates are sold to the Underwriter, the City shall pay out of the proceeds of the Series 2020 Certificates the discount of the Underwriter or the purchase price paid for the Series 2020 Certificates shall reflect such discount.

Except as otherwise provided in this **Section 11**, the Underwriter shall pay: (i) all advertising expenses in connection with the public offering of the Series 2020 Certificates; and (ii) all other expenses incurred by it in connection with its public offering and distribution of the Series 2020 Certificates, not described above.

12. **Notices.** Any notice or other communication to be given to the City or the Trustee under this Certificate Purchase Agreement may be given by mailing or delivering the same in writing to such parties at their respective addresses set forth in the Indenture, and any notice or other communications to be given to the Underwriter under this Certificate Purchase Agreement may be given by delivering the same in writing to the Underwriter at the following address: Stifel, Nicolaus & Company, Incorporated, One Financial Plaza, 501 North Broadway, St. Louis, MO 63102, Attention: Public Finance.

14. **Execution of Counterparts.** This Certificate Purchase Agreement may be executed in several counterparts, each of which shall be regarded an original and all of which shall constitute one and the same document.

15. **Third Party Beneficiary.** The City agrees that the Underwriter is and shall be a third party beneficiary of any and all representations and warranties made by the City in the Transaction Documents, to the same effect as if the City had made such representations and warranties to the Underwriter in this Certificate Purchase Agreement. The Underwriter agrees that the City and the Trustee are and shall be third party beneficiaries of any and all representations and warranties made by the Underwriter in the Transaction Documents to the same effect as if the Underwriter had made such representations and warranties to the City and the Trustee in this Certificate Purchase Agreement.

16. **Successors.** This Certificate Purchase Agreement is made for the benefit of the Trustee, the City and the Underwriter (including the successors or assigns of the parties hereto) and no other person including any purchaser of the Series 2020 Certificates shall acquire or have any rights hereunder or by virtue hereof.

17. **Amendments.** No modification, alteration or amendment to this Certificate Purchase Agreement shall be binding upon any party until such modification, alteration or amendment is reduced to writing and executed by all parties.

18. **Effective Date.** This Certificate Purchase Agreement shall become effective upon acceptance hereof by the City.

§ _____
**CITY OF SEDALIA, MISSOURI
REFUNDING AND IMPROVEMENT CERTIFICATES OF PARTICIPATION
SERIES 2020**

This Certificate is furnished by the undersigned in connection with the sale and issuance of the \$_____ aggregate principal amount of Refunding and Improvement Certificates of Participation (City of Sedalia, Missouri, Lessee), Series 2020 (the “**Series 2020 Certificates**”), to assist in establishing, among other things, the “issue price” of the Series 2020 Certificates (and thus, the “yield” thereon) within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “**Code**”), and the Treasury Regulations thereunder.

THE UNDERSIGNED HEREBY CERTIFIES as follows:

1. **Certificate Purchase Agreement.** On _____, 2020 (the “**Sale Date**”), the undersigned, BOKF, N.A., as Trustee (the “**Trustee**”) and the City of Sedalia, Missouri (the “**City**”) executed a Certificate Purchase Agreement (the “**Certificate Purchase Agreement**”) in connection with the sale of the Series 2020 Certificates. The undersigned has not modified the Certificate Purchase Agreement since its execution on the Sale Date.

2. **Receipt for Certificates.** We acknowledge receipt on the date hereof from the Trustee of the Series 2020 Certificates, consisting of fully-registered certificates numbered from 1 consecutively upward in the denomination of \$5,000 each or integral multiples thereof, dated as of the date of original delivery and payment therefor, delivered pursuant to the Indenture.

3. **Compliance with Certificate Purchase Agreement.** We further acknowledge that the conditions to closing set forth in Section 8(b) of the Certificate Purchase Agreement have been satisfied (except to the extent we have waived in writing for purposes of closing or consented to modification in writing of certain provisions thereof). Nothing contained herein shall affect our rights under the Certificate Purchase Agreement, and we retain the right to require future performance, upon reasonable written notice, of any condition to closing set forth in Section 8(b) of the Certificate Purchase Agreement that has not been satisfied (and previously acknowledged in writing by the parties to the Certificate Purchase Agreement prior to closing) and has, therefore, been waived for purposes of closing.

4. **Issue Price.**

(a) On or before the Sale Date, the Underwriter offered all of the Series 2020A Certificates to the Public in a *bona fide* initial offering at the initial public offering prices listed on **Schedule A** (the “**Initial Offering Prices**”).

(b) As of the date of this Certificate, for each Maturity listed on **Schedule A** as the “General Rule Maturities,” the price or prices at which the first 10% of the General Rule Maturities was sold to the Public is the respective price listed on **Schedule A**. **Schedule A** also

contains documentation of the price, date, time and amount of individual sales that comprise 10% of such General Rule Maturities.

(c) *Hold-the-Offering Price Maturities.* For each Maturity listed on **Schedule A** as the “Hold-the-Offering-Price Maturities,” the Underwriter agreed in writing that (i) it would neither offer nor sell any of the Series 2020 Certificates of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “**Hold-The-Offering-Price Rule**”), and (ii) any selling group agreement contains the agreement of each dealer who is a member of the selling group, and any retail distribution agreement contains the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the Hold-The-Offering-Price Rule. Pursuant to such agreement, the undersigned has not offered or sold any Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity during the Holding Period.

5. **Defined Terms.**

(a) “**City**” means the City of Sedalia, Missouri.

(b) “**Maturity**” means Series 2020 Certificates with the same credit and payment terms. Series 2020 Certificates with different maturity dates, or Series 2020 Certificates with the same maturity date but different stated interest rates, are treated as separate Maturities.

(c) “**Public**” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an underwriter or a related party to an underwriter. A purchaser of any of the Series 2020 Certificates is a “**related party**” to an Underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(d) “**Underwriter**” means (i) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2020 Certificates to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Series 2020 Certificates to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2020 Certificates to the Public).

(e) Capitalized words and terms used herein but not otherwise defined herein shall have the meanings set forth in the Trust Indenture dated as of April 1, 2020 (the “**Indenture**”) between the Trustee and the City.

6. **Reliance.** The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Underwriter’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon

by the City with respect to certain of the representations set forth in the Tax Compliance Agreement dated as of April 1, 2020 and with respect to compliance with the federal income tax rules affecting the Series 2020 Certificates, and by Special Counsel, in connection with rendering its opinion that the interest on the Series 2020 Certificates is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the City from time to time relating to the Series 2020 Certificates.
