# PUBLIC SERVICE ANNOUNCEMENT

Contact: Brenda Ardrey, Public Works Director  
Phone: (660) 827-3000, ext. 1166

FOR IMMEDIATE RELEASE  
3:00 P.M. CDST, JULY 12, 2019

**LANE RESTRICTIONS AND PERIODIC ROAD CLOSURES: S. GRAND AVE. /  
S. MISSOURI AVE. AT BROADWAY (US HIGHWAY 50) AND S. QUINCY AVE./  
S. PARK AVE. AT W. 4<sup>TH</sup> STREET FOR WATER LINE REPLACEMENT**

(SEDALIA, MISSOURI): The Water Division's contractors are scheduled to complete work on the north side of the intersection of U.S. Highway 50 (W. Broadway Ave.) and S. Grand Ave. as well as at the intersection of W. Broadway Ave. and S. Missouri Ave. next Monday, Tuesday and Wednesday, July 15 through July 17, 2019. Work will begin on Monday, July 15, 2019 at 7:00 a.m. and is planned to be completed by 5:30 p.m. on Wednesday, July 17, 2019.

S. Grand Ave. will be restricted to one lane of traffic between W. 7<sup>th</sup> St. to W. Broadway Ave. as the contractor replaces a water valve near the center of the north side of the intersection at W. Broadway Ave. and installs new pipe along S. Grand Ave. Periodically, the contractor will need to close the roadway to allow for entry and exit of equipment, materials and workers. Drivers should anticipate flagmen to be in the area and adjust their speed accordingly. As a result of the lane restrictions, delays and back-ups are expected around this intersection. Drivers should find alternate routes during the construction period to avoid delays.

S. Missouri Ave. will also be restricted to one lane of traffic from July 15 to July 17, 2019 as the contractor replaces pipe in the north side of the intersection with W. Broadway Ave. Drivers along S. Missouri Ave. should expect delays due to the lane restriction. Drivers should find alternate routes during the construction period to avoid delays.

Additionally, work is scheduled to complete water line replacement in the areas of the intersection of W. 4<sup>th</sup> St. and S. Quincy Ave. and the intersection of W. 4<sup>th</sup> St. and S. Park Ave. The north side of these intersections will be closed beginning at 7:00 a.m. on Monday, July 15, 2019 and continuing through 5:30 p.m. on Tuesday, July 16, 2019. The work on water lines in the area requires placement of boring equipment that will block the roadway intersections while new pipes are installed. The streets will re-open to through traffic on Tuesday, July 16, 2019 at 5:30 p.m., dependent on weather allowing for completion of the scheduled work. The east-west alley between 3<sup>rd</sup> and 4<sup>th</sup> on S. Quincy Ave. and north-south alley between 3<sup>rd</sup> and 4<sup>th</sup> adjacent to S. Park Ave. will remain open during this time to allow homeowners to access their garages and driveways.

We apologize for any inconvenience these road closures may cause as we work to improve the City's water distribution system.

**WHEN: MON., JULY 15, 2019 TO TUES., JULY 16, 2019**

**WHERE: W. 4TH ST. INTERSECTION WITH S. PARK AVE. -- NORTH SIDE OF THE ROADWAY**
