TAX COMPLIANCE AGREEMENT

THIS TAX COMPLIANCE AGREEMENT (the “Tax Agreement”), dated as of September 1, 2017, between the **CITY OF SEDALIA, MISSOURI**, a political subdivision organized and existing under the laws of the State of Missouri (the “City”), and **BOKF, N.A.**, a national banking association duly organized and existing under the laws of the United States of America, as Trustee (the “Trustee”).

RECITALS

1. This Tax Agreement is being executed and delivered in connection with the execution and delivery of \$5,695,000 principal amount of Certificates of Participation, Series 2017B (the “Certificates”), evidencing a proportionate interest of the Owners thereof in Rental Payments to be made by the City pursuant to an annually renewable Lease Agreement dated as of September 1, 2017 (the “Lease”), between the City, as lessee, and the Trustee, as lessor, which Certificates are delivered under a Trust Indenture dated as of September 1, 2017 (the “Indenture”), between the City and the Trustee, for the purposes described in this Tax Agreement, the Indenture and the Lease.

2. The Internal Revenue Code of 1986, as amended (the “Code”), and the applicable Regulations and rulings issued by the U.S. Treasury Department (the “Regulations”), impose certain limitations on the uses and investment of the Certificate proceeds and of certain other money relating to the Certificates and set forth the conditions under which the Interest Component of the Rental Payments made by the City and distributed to the registered owners of the Certificates will be excluded from gross income for federal income tax purposes.

3. The City and the Trustee are entering into this Tax Agreement in order to set forth certain facts, covenants, representations, and expectations relating to the use of Certificate proceeds and the property financed or refinanced with those proceeds and the investment of the Certificate proceeds and of certain other related money, in order to establish and maintain the exclusion of the Interest Component of Rental Payments represented by the Certificates from gross income for federal income tax purposes.

4. The City adopted a Tax-Exempt Financing Compliance Policy and Procedure on January 17, 2012 (the “Tax Compliance Procedure”) for the purpose of setting out general procedures for the City to continuously monitor and comply with the federal income tax requirements set out in the Code and the Regulations. This Tax Agreement is entered into as required by the Tax Compliance Procedure to set out specific tax compliance procedures applicable to the Certificates.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, covenants and agreements set forth in this Tax Agreement, the City and the Trustee represent, covenant and agree as follows:

ARTICLE I

DEFINITIONS

Section 1.1. Definitions of Words and Terms. Except as otherwise provided in this Tax Agreement or unless the context otherwise requires, capitalized words and terms used in this Tax Agreement have the same meanings as set forth in the Indenture and the Lease, and certain other words

and phrases have the meanings assigned in Code §§ 103, 141-150 and the Regulations. In addition, the following words and terms used in this Tax Agreement have the following meanings:

“Annual Compliance Checklist” means a checklist for the Certificates to measure compliance with the requirements of this Tax Agreement and the Tax Compliance Procedure after the Issue Date, as further described in **Section 4.2** hereof and substantially in the form attached hereto as **Exhibit E**.

“Bona Fide Debt Service Fund” means a fund, which may include Certificate proceeds, that (a) is used primarily to achieve a proper matching of revenues with Rental Payments within each Certificate Year and (b) is depleted at least once each Certificate Year, except for a reasonable carryover amount not to exceed the greater of (1) the earnings on the fund for the immediately preceding Certificate Year or (2) one-twelfth of the Rental Payments for the immediately preceding Certificate Year.

“Bond Compliance Officer” means the City Administrator or other person named in the Tax Compliance Procedure.

“Certificate” or **“Certificates”** means any certificate or certificates of the City’s Certificates of Participation, Series 2017B, described in the recitals, authenticated and delivered under the Indenture.

“City” means the City of Sedalia, Missouri, and its successors and assigns, or any body, agency or instrumentality of the State of Missouri succeeding to or charged with the powers, duties and functions of the City.

“Code” means the Internal Revenue Code of 1986, as amended.

“Computation Date” means each date on which arbitrage rebate for the Certificates is computed. The City may treat any date as a Computation Date, subject to the following limits:

- (a) the first rebate installment payment must be made for a Computation Date not later than 5 years after the Issue Date;
- (b) each subsequent rebate installment payment must be made for a Computation Date not later than five years after the previous Computation Date for which an installment payment was made; and
- (c) the date the last Certificate is discharged is the final Computation Date.

The City selects September 15, 2022 as the first Computation Date but reserves the right to select a different date consistent with the Regulations.

“Final Written Allocation” means the final written allocation of expenditures of Certificate proceeds prepared by the Bond Compliance Officer in accordance with the Tax Compliance Procedure and **Section 4.2(b)** hereof, a form of which is set forth on **Exhibit F** hereto.

“Financed Facility” means the Project being financed with the Certificate proceeds, as described on **Exhibit D** hereto.

“Gross Proceeds” means (a) sale proceeds (any amounts actually or constructively received by the City from the sale of the Certificates, including amounts used to pay underwriting discount or fees, but excluding pre-issuance accrued interest), (b) Investment proceeds (any amounts received from investing sale proceeds,) (c) any amounts held in a sinking fund for the Certificates, (d) any amounts held in a pledged fund or reserve fund for the Certificates, (e) any other replacement proceeds and (f) any transferred proceeds. Specifically, Gross Proceeds includes (but is not limited to) amounts held in the following funds:

- (1) Project Fund.

“Investment” means any security, obligation, annuity contract or other investment-type property that is purchased directly with, or otherwise allocated to, Gross Proceeds. This term does not include a tax-exempt bond, except for “specified private activity bonds” as defined in Code § 57(a)(5)(C), but it does include the investment element of most interest rate caps.

“IRS” means the United States Internal Revenue Service.

“Issue Date” means September 14, 2017.

“Lease” means the Lease Agreement dated as of September 1, 2017, between the Trustee, as lessor, and the City, as lessee, as amended and supplemented in accordance with the provisions thereof.

Contracts for services that are solely incidental to the primary governmental function of the Financed Facility (for example, contracts for janitorial, office equipment repair, billing, or similar services) are not treated as Management Agreements.

“Measurement Period” means the period beginning on the later of (a) the Issue Date or (b) the date the property is placed in service, and ending on the earlier of (1) the final maturity date of the Certificates or (2) the expected economic useful life of the property.

“Non-Qualified Use” means use of Certificate proceeds, the Financed Facility in a trade or business carried on by any Non-Qualified User. The rules set out in Regulations § 1.141-3 determine whether Certificate proceeds or the Financed Facility are “used” in a trade or business. Generally, ownership, a lease, or any other use that grants a Non-Qualified User a special legal right or entitlement with respect to the Financed Facility will constitute use under Regulations § 1.141-3.

“Non-Qualified User” means any person or entity other than a Qualified User.

“Opinion of Special Counsel” means the written opinion of Special Counsel to the effect that the action or proposed action or the failure to act or proposed failure to act for which the opinion is required will not adversely affect the exclusion of the Interest Component of Rental Payments from gross income for federal income tax purposes.

Any Qualified User or Non-Qualified User using all or any portion of the Financed Facility under this type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(c) Agreements with Qualified Users or Non-Qualified Users to use all or a portion of the Financed Facility for a period up to 100 days in length pursuant to arrangements whereby (1) the use of the property by the person would be general public use but for the fact that generally applicable and uniformly applied rates are not reasonably available to natural persons not engaged in a trade or business, (2) the compensation for the use under the arrangement is determined based on applicable, fair market value rates that are in effect at the time the agreement is entered into or renewed, and (3) the Financed Facility was not constructed for a principal purpose of providing the property for use by that Qualified User or Non-Qualified User. Any Qualified User or Non-Qualified User using all or any portion of the Financed Facility under this

type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(d) Agreements with Qualified Users or Non-Qualified Users to use all or a portion of the Financed Facility for a period up to 50 days in length pursuant to a negotiated arm's-length arrangement at fair market value so long as the Financed Facility was not constructed for a principal purpose of providing the property for use by that person.

ARTICLE II

GENERAL REPRESENTATIONS AND COVENANTS

Section 2.1. Representations and Covenants of the City. The City represents and covenants as follows:

(a) *Organization and Authority.* The City (1) is a political subdivision organized and existing under the laws of the State of Missouri, (2) has lawful power and authority to enter into, execute and deliver the Lease and this Tax Agreement and to carry out its obligations under the Lease and this Tax Agreement and (3) by all necessary action has been duly authorized to execute and deliver the Lease and this Tax Agreement, acting by and through its duly authorized officials.

(b) *Tax-Exempt Status of Certificates – General Representation and Covenants.* In order to maintain the exclusion of the Interest Component of the Rental Payments represented by the Certificates from gross income for federal income tax purposes, the City (1) will take whatever action, and refrain from whatever action, necessary to comply with the applicable requirements of the Code, (2) will not use or invest, or permit the use or Investment of, any Certificate proceeds, other money held under the Indenture, or other funds of the City, in a manner that would violate applicable provisions of the Code and (3) will not use, or permit the use of, any portion of the Financed Facility in a manner that would cause any Certificate to become a “private activity bond” as defined in Code § 141.

(c) *Governmental Obligations – Use of Proceeds.* Throughout the Measurement Period, (1) all of the Financed Facility is expected to be owned by the City or another Qualified User, (2) no portion of the Financed Facility is expected to be used in a Non-Qualified Use and (3) the City will not permit any Non-Qualified Use of the Financed Facility without first obtaining an Opinion of Special Counsel.

(d) *Governmental Obligations – No Private Security or Payment.* As of the Issue Date, the City expects that none of the Rental Payments represented by the Certificates will be directly or indirectly:

(1) secured by (i) any interest in property used or to be used for a Non-Qualified Use or (ii) any interest in payments in respect of such property; or

(2) derived from payments (whether or not such payments are made to the City) in respect of property, or borrowed money, used or to be used for a Non-Qualified Use.

For purposes of the foregoing, taxes of general application, including payments in lieu of taxes, are not treated as private payments or as private security. The City will not permit any private security or payment with respect to the Certificates without first obtaining and delivering to the Trustee an Opinion of Special Counsel.

(e) *No Private Loan.* Not more than 5% of the Net Proceeds of the Certificates will be loaned directly or indirectly to any Non-Qualified User.

(f) *Management Agreements.* As of the Issue Date, the City has no Management Agreements with Non-Qualified Users with respect to the Financed Facility. During the Measurement Period, the City will not enter into any Management Agreement with any Non-Qualified User with respect to the Financed Facility without first obtaining and delivering to the Trustee an Opinion of Special Counsel.

(g) *Leases.* Except for the Base Lease and the Lease, neither of which gives rise to Non-Qualified Use, as of the Issue Date, the City has not entered into any leases of any portion of the Financed Facility, other than Qualified Use Agreements. During the Measurement Period, the City will not enter into or renew any lease or similar agreement or arrangement, other than a Qualified Use Agreement, with respect to the Financed Facility, without first obtaining and delivering to the Trustee an Opinion of Special Counsel.

(h) *Limit on Maturity.* A list of the assets included in the Financed Facility and a computation of the “average reasonably expected economic life” is attached to this Tax Agreement as

Exhibit D hereto. Based on this computation, the “average maturity” of the Lease and Certificates does not exceed 120% of the “average reasonably expected economic life” of the Financed Facility.

(i) *Reimbursement of Expenditures; Official Intent.* On July 5, 2016, the City adopted a resolution declaring the intent of the City to finance a portion of the Financed Facility with tax-exempt obligations and to reimburse the City for expenditures made for the Financed Facility prior to the issuance of those obligations, a copy of which resolution is attached as **Exhibit C** hereto. The City expects to allocate \$ _____ of the Certificate proceeds to reimburse the City for expenditures paid prior to the Issue Date, a list of which is included as part of **Exhibit D**. No portion of the Net Proceeds of the Certificates will be used to reimburse an expenditure paid by the City more than 60 days prior to the date the resolution attached as **Exhibit C** was adopted. No reimbursement allocation will be made for an expenditure made more than three years before the date of the reimbursement allocation, and no reimbursement allocation will be made more than three years following the later of (1) the date of the expenditure or (2) the date the Financed Facility is placed in service.

(j) *Registration Requirement.* The Indenture requires that all of the Certificates will be delivered and held in registered form within the meaning of Code § 149(a).

(k) *No Federal Guarantee.* The City will not take any action or permit any action to be taken which would cause any portion of the Lease or any Certificate to be “federally guaranteed” within the meaning of Code § 149(b).

(l) *IRS Form 8038-G.* Special Counsel will prepare Form 8038-G (Information Return for Tax-Exempt Governmental Obligations) based on the representations and covenants of the City contained in this Tax Agreement or otherwise provided by the City. Special Counsel will sign the return as a paid preparer following completion and will then deliver copies to the City for execution and for the City’s records. The City agrees to timely execute and return to Special Counsel the execution copy of Form 8038-G for filing with the IRS. A copy of the Form 8038-G filed with the IRS, along with proof of filing is attached hereto as **Exhibit B**.

(m) *No Hedge Bonds.* At least 85% of the net sale proceeds (the sale proceeds of the Certificates less any sale proceeds invested in a reserve fund) of the Certificates will be used to carry out the governmental purpose of the Lease and Certificates within three years after the Issue Date, and not more than 50% of the proceeds of the Certificates will be invested in Investments having a substantially guaranteed Yield for four years or more.

(n) *Compliance with Future Tax Requirements.* The City understands that the Code and the Regulations may impose new or different restrictions and requirements on the City in the future. The City will comply with such future restrictions that are necessary to maintain the exclusion of the Interest Component of the Rental Payments from gross income for federal income tax purposes.

(o) *Single Issue; No Other Issues.* The Lease constitutes a single “issue” under Regulations § 1.150-1(c). No other debt obligations of the City (1) are being sold within 15 days of the execution and delivery of the Lease and sale of the Certificates, (2) are being sold under the same plan of financing as the Lease and Certificates and (3) are expected to be paid from substantially the same source of funds as the Lease and Certificates (disregarding guarantees from unrelated parties, such as bond insurance).

(p) *Interest Rate Swap.* As of the Issue Date, the City has not entered into an interest rate swap agreement or any other similar arrangement designed to modify its interest rate risk with respect to

the Certificates. The City will not enter into any such arrangement in the future without obtaining an Opinion of Special Counsel.

(q) *Guaranteed Investment Contract.* As of the Issue Date, the City does not expect to enter into a Guaranteed Investment Contract for any Gross Proceeds of the Certificates. The City will be responsible for complying with **Section 4.4(d)** hereof if it decides to enter into a Guaranteed Investment Contract at a later date.

(r) *Bank Qualified Tax-Exempt Obligation.* The City designates the Lease as a “qualified tax-exempt obligation” under Code § 265(b)(3), and with respect to this designation certifies as follows:

(1) the City reasonably anticipates that the amount of tax-exempt obligations (other than private activity bonds that are not qualified 501(c)(3) bonds) that will be issued by or on behalf of the City (and all subordinate entities of the City) during the calendar year that the Lease is executed and delivered, including the Lease, will not exceed \$10,000,000; and

(2) the City (including all subordinate entities of the City) will not issue tax-exempt obligations (other than private activity bonds that are not qualified 501(c)(3) bonds) during the calendar year that the Lease is executed and delivered, including the Lease, in an aggregate principal amount or aggregate issue price in excess of \$10,000,000, without first obtaining an Opinion of Special Counsel that the designation of the Lease as a “qualified tax-exempt obligation” will not be adversely affected.

Section 2.2. Representations and Covenants of the Trustee. The Trustee represents and covenants to the City as follows:

(a) The Trustee will comply with the provisions of this Tax Agreement that apply to it as Trustee and any written letter or Opinion of Special Counsel, specifically referencing the Lease and Certificates and received by the Trustee, that sets forth any action necessary to comply with any statute, regulation or ruling that may apply to it as Trustee and relating to reporting requirements or other requirements necessary to maintain the exclusion of the Interest Component of the Rental Payments from gross income for federal income tax purposes.

(b) The Trustee, acting on behalf of the City, may from time to time cause a firm of attorneys, consultants or independent accountants or an investment banking firm to provide the Trustee with such information as it may request in order to determine all matters relating to (1) the Yield on the Lease as it relates to any data or conclusions necessary to verify that the Lease is not an “arbitrage bond” within the meaning of Code § 148 and (2) compliance with arbitrage rebate requirements of Code § 148(f). The City will pay all reasonable costs and expenses incurred in connection with supplying the foregoing information.

(c) The Trustee, acting on behalf of the City, will retain records related to the investment and expenditure of Gross Proceeds held in funds and accounts maintained by the Trustee and any records provided to the Trustee by the City related to the Post-Issuance Tax Requirements in accordance with **Section 4.2(a)** of this Tax Agreement. The Trustee will retain these records until three years following the final maturity of (i) the Certificates or (ii) any obligation issued to refund the Certificates; provided, however, if the Trustee is not retained to serve as bond trustee for any obligation issued to refund the Certificates (a “Refunding Obligation”), then the Trustee may satisfy its record retention duties under this **Section 2.3(c)** by providing copies of all records in its possession related to the Certificates to the bond trustee for the Refunding Obligation or other party agreed upon by the City.

Section 2.3. Survival of Representations and Covenants. All representations, covenants and certifications of the City and the Trustee contained in this Tax Agreement or in any certificate or other instrument delivered by the City or the Trustee under this Tax Agreement, will survive the execution and delivery of such documents and the approval and delivery of the Lease and Certificates, as representations of facts existing as of the date of execution and delivery of the instruments containing such representations. The foregoing covenants of this Section will remain in full force and effect notwithstanding the defeasance of the Lease and Certificates.

ARTICLE III

ARBITRAGE CERTIFICATIONS AND COVENANTS

Section 3.1. General. The purpose of this Article is to certify, under Regulations § 1.148-2(b), the City's expectations as to the sources, uses and investment of Certificate proceeds and other money, in order to support the City's conclusion that the Lease is not an arbitrage bond. The person executing this Tax Agreement on behalf of the City is an officer of the City responsible for executing the Lease and authorizing the Trustee to deliver the Certificates.

Section 3.2. Reasonable Expectations. The facts, estimates and expectations set forth in this Article are based upon and in reliance upon the City's understanding of the documents and certificates that comprise the Transcript, and the representations, covenants and certifications of the parties contained therein. To the City's knowledge, the facts and estimates set forth in this Tax Agreement are accurate, and the expectations of the City set forth in this Tax Agreement are reasonable. The City has no knowledge that would cause it to believe that the representations, warranties and certifications described in this Tax Agreement are unreasonable or inaccurate or may not be relied upon.

Section 3.3. Purpose of Financing. The Lease is being executed and the Certificates are being delivered for the purpose of providing funds to finance the Project.

Section 3.4. Funds. The following funds have been established under the Indenture:

- Project Fund;
- Reserve Fund; and
- Certificate Fund.

Section 3.5. Amount and Use of Certificate Proceeds.

(a) *Amount of Certificate Proceeds.* The total proceeds to be received by the City from the sale of the Certificates will be \$5,695,000.

(c) *Use of Certificate Proceeds.* The proceeds of the Certificates will be deposited in the Project Fund to pay costs of the Financed Facility and costs related to the delivery of the Certificates.

Section 3.6. Multipurpose Issue. The City is applying the arbitrage rules to separate financing purposes of the issue that have the same initial temporary period as if they constitute a single issue for purposes pursuant to Regulations § 1.148-9(h)(3)(i).

Section 3.7. No Advance Refunding. No Certificate proceeds will be used more than 90 days following the Issue Date to pay principal of or interest on any other debt obligation.

Section 3.8. No Current Refunding. No Certificate proceeds will be used to pay principal of or interest on any other debt obligation.

Section 3.9. Project Completion. The City has incurred, or will incur within six months after the Issue Date, a substantial binding obligation to a third party to spend at least 5% of the Net Proceeds of the Certificates on the Financed Facility. The completion of the Financed Facility and the allocation of the Net Proceeds of the Certificates to expenditures will proceed with due diligence. At least 85% of the Net Proceeds of the Certificates will be allocated to expenditures on the Financed Facility within three years after the Issue Date.

Section 3.10. Sinking Funds. The City is required to make periodic payments in amounts sufficient to pay the Rental Payments represented by the Certificates. Such payments will be deposited into the Certificate Fund. Except for the Certificate Fund, no sinking fund or other similar fund that is expected to be used to pay Rental Payments has been established or is expected to be established. The Certificate Fund is used primarily to achieve a proper matching of revenues with Rental Payments within each Certificate Year, and the City expects that the Certificate Fund will qualify as a Bona Fide Debt Service Fund.

Section 3.11. Reserve, Replacement and Pledged Funds.

(a) *Reserve Fund.* The Indenture establishes a debt service reserve fund to be funded at the time of issuance of the Certificates in an amount equal to \$464,408.08, the Reserve Requirement. The amount to be held in the Reserve Fund will not exceed the least of (1) 10% of the stated principal amount of the Certificates, (2) the maximum annual principal and interest requirements on the Certificates (determined as of the Issue Date), or (3) 125% of the average annual principal and interest requirements on the Certificates (determined as of the Issue Date). Any amounts in the Reserve Fund in excess of the Reserve Requirement will be transferred to the Certificate Fund.

(b) *No Other Replacement or Pledged Funds.* None of the Certificate proceeds will be used as a substitute for other funds that were intended or earmarked to pay costs of the Financed Facility, and that instead have been or will be used to acquire higher yielding Investments. Except for the Certificate Fund and the Reserve Fund, there are no other funds pledged or committed in a manner that provides a reasonable assurance that such funds would be available for Rental Payments if the City encounters financial difficulty.

Section 3.12. Purpose Investment Yield. The Certificate proceeds will not be used to purchase an Investment for the purpose of carrying out the governmental purpose of the financing.

Section 3.13. Offering Prices and Yield.

(a) *Offering Prices.* In the Purchaser's Receipt for Certificates and Representations, the Purchaser has certified that it has purchased all of the Certificates as principal for its own account and has not acted as agent for any person or entity. As of the date hereof, the Purchaser has not sold and has no present intention to sell the Certificates to any person.

(b) *Yield.* Based on the Offering Prices, the Yield on the Lease is 2.612919%, as computed by Special Counsel and as shown on **Exhibit A** attached hereto. The City has not entered into an interest rate swap agreement with respect to any portion of the Certificate proceeds.

Section 3.14. Miscellaneous Arbitrage Matters.

(a) *No Abusive Arbitrage Device.* The Lease and Certificates are not and will not be part of a transaction or series of transactions that has the effect of (1) enabling the City to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage and (2) overburdening the tax-exempt bond market.

(b) *No Over-Issuance.* The sale proceeds of the Certificates, together with expected Investment earnings thereon and other money contributed by the City, if any, do not exceed the cost of the governmental purpose of the Lease and Certificates as described above.

Section 3.15. Conclusion. On the basis of the facts, estimates and circumstances set forth in this Tax Agreement, the City does not expect that the Certificate proceeds will be used in a manner that would cause any portion of the Lease or any Certificate to be an “arbitrage bond” within the meaning of Code § 148 and the Regulations.

ARTICLE IV

POST-ISSUANCE TAX REQUIREMENTS, POLICIES AND PROCEDURES

Section 4.1. General.

(a) *Purpose of Article.* The purpose of this Article is to supplement the Tax Compliance Procedure and to set out specific policies and procedures governing compliance with the federal income tax requirements that apply after the Lease is executed and Certificates are delivered. The City recognizes that the Interest Component of the Rental Payments represented by the Certificates will remain excludable from gross income only if the Post-Issuance Tax Requirements are followed after the Issue Date. The City further acknowledges that written evidence substantiating compliance with the Post-Issuance Tax Requirements must be retained in order to permit the Lease and Certificates to be refinanced with tax-exempt obligations and substantiate the position that the Interest Component of the Rental Payments represented by the Certificates is excluded from gross income in the event of an audit of the Lease and Certificates by the IRS.

(b) *Written Policies and Procedures of the City.* The City intends for the Tax Compliance Procedure, as supplemented by this Tax Agreement, to be its primary written policies and procedures for monitoring compliance with the Post-Issuance Tax Requirements for the Lease and Certificates and to supplement any other formal policies and procedures related to tax compliance that the City has established. The provisions of this Tax Agreement are intended to be consistent with the Tax Compliance Procedure. In the event of any inconsistency between the Tax Compliance Procedure and this Tax Agreement, the terms of this Tax Agreement will govern.

(c) *Bond Compliance Officer.* The City when necessary to fulfill its Post-Issuance Tax Requirements will, through its Bond Compliance Officer, sign Form 8038-T in connection with the payment of arbitrage rebate or Yield reduction payments, participate in any federal income tax audit of the

Lease or Certificates or related proceedings under a voluntary compliance agreement procedures (VCAP) or undertake a remedial action procedure pursuant to Regulations § 1.141-12.

Section 4.2. Record Keeping; Use of Certificate Proceeds and Use of Financed Facility .

(a) *Record Keeping.* The Bond Compliance Officer will maintain the Tax-Exempt Bond File for the Lease and Certificates in accordance with the Tax Compliance Procedure. Unless otherwise specifically instructed in a written Opinion of Special Counsel or to the extent otherwise provided in this Tax Agreement, the Bond Compliance Officer shall retain records related to the Post-Issuance Tax Requirements until three years following the final maturity of (1) the Certificates or (2) any obligation issued to refund the Certificates. Any records maintained electronically must comply with Section 4.01 of Revenue Procedure 97-22, which generally provides that an electronic storage system must (i) ensure an accurate and complete transfer of the hardcopy records which indexes, stores, preserves, retrieves and reproduces the electronic records, (ii) include reasonable controls to ensure integrity, accuracy and reliability of the electronic storage system and to prevent unauthorized alteration or deterioration of electronic records, (iii) exhibit a high degree of legibility and readability both electronically and in hardcopy, (iv) provide support for other books and records of the City and (v) not be subject to any agreement that would limit the ability of the IRS to access and use the electronic storage system on the City's premises.

(b) *Accounting and Allocation of Certificate Proceeds to Expenditures.* The Bond Compliance Officer will account for the investment and expenditure of Certificate proceeds in the level of detail required by the Tax Compliance Procedure. The expected allocation of Certificate proceeds to expenditures is shown on **Exhibit D**; the Bond Compliance Officer will supplement this expected allocation with a Final Written Allocation as required by the Tax Compliance Procedure. A sample form of a Final Written Allocation is attached as **Exhibit F** hereto.

(c) *Annual Compliance Checklist.* Attached as **Exhibit E** hereto is a form of Annual Compliance Checklist for the Certificates. The Bond Compliance Officer will prepare and complete an Annual Compliance Checklist for the Financed Facility at least annually in accordance with the Tax Compliance Procedure. In the event the Annual Compliance Checklist identifies a deficiency in compliance with the requirements of this Tax Agreement, the Bond Compliance Officer will take the actions identified in an Opinion of Special Counsel or the Tax Compliance Procedure to correct any deficiency.

(d) *Opinions of Special Counsel.* The Bond Compliance Officer is responsible for obtaining and delivering to the City and the Trustee any Opinion of Special Counsel required under the provisions of this Tax Agreement, including any Opinion of Special Counsel required by this Tax Agreement or the Annual Compliance Checklist.

Section 4.3. Investment Yield Restriction. Except as described below, the City will not invest Gross Proceeds at a Yield greater than the Yield on the Lease:

(a) *Project Fund.* Certificate proceeds deposited in the Project Fund, including funds used to pay the issuance costs of the Certificates, and Investment earnings on those proceeds may be invested without Yield restriction for up to three years following the Issue Date. If any such Certificate proceeds remain unspent after three years, those amounts may continue to be invested without Yield restriction so long as the City pays to the IRS all Yield reduction payments in accordance with Regulations § 1.148-5(c). These payments are required whether or not the Certificates are exempt from the arbitrage rebate requirements of Code § 148.

(b) *Certificate Fund.* To the extent that the Certificate Fund qualifies as a Bona Fide Debt Service Fund, money in such fund may be invested without Yield restriction for 13 months after the date of deposit. Earnings on such amounts may be invested without Yield restriction for one year after the date of receipt of such earnings.

(c) *Reserve Fund.* Amounts in the Reserve Fund may be invested without Yield restriction up to the least of (1) 10% of the stated principal amount of the Certificates, (2) the maximum annual principal and interest requirements on the Certificates (determined as of the Issue Date), or (3) 125% of the average annual principal and interest requirements on the Certificates (determined as of the Issue Date).

(d) *Minor Portion.* In addition to the amounts described above, Gross Proceeds not exceeding the Minor Portion may be invested without Yield restriction.

Section 4.4. Procedures for Establishing Fair Market Value.

(a) *General.* No Investment may be acquired with Gross Proceeds for an amount (including transaction costs) in excess of the fair market value of such Investment, or sold or otherwise disposed of for an amount (including transaction costs) less than the fair market value of the Investment. The fair market value of any Investment is the price a willing buyer would pay to a willing seller to acquire the Investment in a bona fide, arm's-length transaction. Fair market value will be determined in accordance with Regulations § 1.148-5.

(b) *Established Securities Market.* Except for Investments purchased for a Yield-restricted defeasance escrow, if an Investment is purchased or sold in an arm's-length transaction on an established securities market (within the meaning of Code § 1273), the purchase or sale price constitutes the fair market value. Where there is no established securities market for an Investment, market value must be established using one of the paragraphs below. The fair market value of Investments purchased for a Yield-restricted defeasance escrow must be determined in a bona fide solicitation for bids that complies with Regulations § 1.148-5.

(c) *Certificates of Deposit.* The purchase price of a certificate of deposit (a "CD") is treated as its fair market value on the purchase date if (1) the CD has a fixed interest rate, a fixed payment schedule, and a substantial penalty for early withdrawal, (2) the Yield on the CD is not less than the Yield on reasonably comparable direct obligations of the United States and (3) the Yield is not less than the highest Yield published or posted by the CD issuer to be currently available on reasonably comparable CDs offered to the public.

(d) *Guaranteed Investment Contracts.* The City is applying Regulations § 1.148-5(d)(6)(iii)(A) as amended by the Proposed Regulations (relating to electronic bidding of Guaranteed Investment Contracts) to the Certificates. The purchase price of a Guaranteed Investment Contract is treated as its fair market value on the purchase date if all of the following requirements are met:

(1) Bona Fide Solicitation for Bids. The City or the Trustee makes a bona fide solicitation for the Guaranteed Investment Contract, using the following procedures:

(A) The bid specifications are in writing and are timely forwarded to potential providers.

(B) The bid specifications include all “material” terms of the bid. A term is material if it may directly or indirectly affect the Yield or the cost of the Guaranteed Investment Contract.

(C) The bid specifications include a statement notifying potential providers that submission of a bid is a representation (i) that the potential provider did not consult with any other potential provider about its bid, (ii) that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the City, the Trustee, or any other person (whether or not in connection with the bond issue) and (iii) that the bid is not being submitted solely as a courtesy to the City, the Trustee, or any other person, for purposes of satisfying the requirements of the Regulations.

(D) The terms of the bid specifications are “commercially reasonable.” A term is commercially reasonable if there is a legitimate business purpose for the term other than to increase the purchase price or reduce the Yield of the Guaranteed Investment Contract.

(E) The terms of the solicitation take into account the City’s reasonably expected deposit and draw-down schedule for the amounts to be invested.

(F) All potential providers have an equal opportunity to bid. For example, no potential provider is given the opportunity to review other bids (*i.e.*, a last look) before providing a bid.

(G) At least three “reasonably competitive providers” are solicited for bids. A reasonably competitive provider is a provider that has an established industry reputation as a competitive provider of the type of Investments being purchased.

(2) Bids Received. The bids received must meet all of the following requirements:

(A) At least three bids are received from providers that were solicited as described above and that do not have a “material financial interest” in the issue. For this purpose, (i) a lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the Issue Date of the issue, (ii) any entity acting as a financial advisor with respect to the purchase of the Guaranteed Investment Contract at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue and (iii) a provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(B) At least one of the three bids received is from a reasonably competitive provider, as defined above.

(C) If an agent or broker is used to conduct the bidding process, the agent or broker did not bid to provide the Guaranteed Investment Contract.

(3) Winning Bid. The winning bid is the highest Yielding bona fide bid (determined net of any broker’s fees).

(4) Fees Paid. The obligor on the Guaranteed Investment Contract certifies the administrative costs that it pays (or expects to pay, if any) to third parties in connection with supplying the Guaranteed Investment Contract.

(5) Records. The City and the Trustee retain the following records with the Certificate documents until three years after the last outstanding Certificate is redeemed:

(A) A copy of the Guaranteed Investment Contract.

(B) The receipt or other record of the amount actually paid for the Guaranteed Investment Contract, including a record of any administrative costs paid by the City or the Trustee, and the certification as to fees paid, described in paragraph (d)(4) above.

(C) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results.

(D) The bid solicitation form and, if the terms of Guaranteed Investment Contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

(e) *Other Investments*. If an Investment is not described above, the fair market value may be established through a competitive bidding process, as follows:

(1) at least three bids on the Investment must be received from persons with no financial interest in the Certificates (*e.g.*, as underwriters or brokers); and

(2) the Yield on the Investment must be equal to or greater than the Yield offered under the highest bid.

Section 4.5. Certificates Exempt from the Rebate Requirement.

(a) *General*. A portion of the Gross Proceeds of the Certificates may be exempt from rebate pursuant to one or more of the following exceptions. The exceptions typically will not apply with respect to all Gross Proceeds of the Certificates and will not otherwise affect the application of the Investment limitations described in **Section 4.3**. Unless specifically noted, the obligation to compute, and if necessary, to pay rebate as set forth in **Section 4.6** applies even if a portion of the gross proceeds of the Certificates is exempt from the rebate requirement. To the extent all or a portion of the Certificates is exempt from Rebate the Rebate Analyst may account for such fact in connection with its preparation of a rebate report described in **Section 4.6**. The City may defer the final rebate Computation Date and the payment of rebate for the Certificates to the extent permitted by Regulations § 1.148-7(b)(1) and § 1.148-3(e)(2) but only in accordance with specific written instructions provided by the Rebate Analyst.

(b) *Applicable Spending Exceptions*.

(1) The City expect that at least 75% of the Available Construction Proceeds will be used for construction or rehabilitation expenditures for property owned by the City.

- (2) The following optional rebate spending exceptions can apply to the Certificates:
 - (a) 6-month Exception (Code § 148(f)(4)(B) and Regulations § 1.148-7(c))
 - (b) 18-month Exception (Regulations § 1.148-7(d)).
 - (c) 2-year Exception (Code § 148(f)(4)(C) and Regulations § 1.148-7(e)).

(c) *Special Elections Made with Respect to Spending Exception Elections.* No special elections are being made in connection with the application of the spending exceptions.

(d) *Bona Fide Debt Service Fund.* To the extent that the Certificate Fund qualifies as a Bona Fide Debt Service Fund, Investment earnings in the account cannot be taken into account in computing arbitrage rebate.

(e) *Documenting Application of Spending Exception.* At any time prior to the first Computation Date, the City may engage the Rebate Analyst to determine whether one or more spending exceptions has been satisfied, and the extent to which the City must continue to comply with **Section 4.6** hereof.

(f) *General Requirements for Spending Exception.* The following general requirements apply in determining whether a spending exception is met.

(1) Using Adjusted Gross Proceeds or Available Construction Proceeds to pay principal of any Certificates is not taken into account as expenditure for purposes of meeting any of the spending tests.

(2) The six-month spending exception generally is met if all Adjusted Gross Proceeds of the Certificates are spent within six months following the Issue Date. The test may still be satisfied even if up to 5% of the sale proceeds remain at the end of the initial six-month period, so long as this amount is spent within one year of the Issue Date.

(3) The 18-month spending exception generally is met if all Adjusted Gross Proceeds of the Certificates are spent in accordance with the following schedule:

Time Period After the Issue Date	Minimum Percentage of Adjusted Gross Proceeds Spent
6 months	15%
12 months	60%
18 months (Final)	100%

(4) The 2-year spending exception generally is met if all Available Construction Proceeds are spent in accordance with the following schedule:

Time Period After the Issue Date	Minimum Percentage of Available Construction Proceeds Spent
6 months	10%
12 months	45%
18 months	75%
24 months (Final)	100%

(5) For purposes of applying the 18-month and 2 year spending exceptions only, the failure to satisfy the **final** spending requirement is disregarded if the City uses due diligence to complete the Financed Facility and the failure does not exceed the lesser of 3% of the aggregate issue price the Certificates or \$250,000. **No such exception applies for any other spending period.**

(6) For purposes of applying the 18-month and 2 year spending exceptions only, the Certificates meet the applicable spending test even if, at the end of the **final** spending period, proceeds not exceeding a Reasonable Retainage remain unspent, so long as such Reasonable Retainage is spent within 30 months (in the case of the 18-month exception) or 3 years (in the case of the 2 year spending test) after the Issue Date.

Section 4.6. Computation and Payment of Arbitrage Rebate.

(a) *Computation of Rebate Amount.* The Trustee will provide the Rebate Analyst Investment reports relating to each fund held by the Trustee that contains Gross Proceeds of the Certificates at such times as reports are provided to the City, and not later than ten days following each Computation Date. The City will provide the Rebate Analyst with copies of Investment reports for any funds containing Gross Proceeds that are held by a party other than the Trustee annually as of the end of each Certificate Year and not later than ten days following each Computation Date. Each Investment report provided to the Rebate Analyst will contain a record of each Investment, including (1) purchase date, (2) purchase price, (3) information establishing the fair market value on the date such Investment was allocated to the Certificates, (4) any accrued interest paid, (5) face amount, (6) coupon rate, (7) frequency of interest payments, (8) disposition price, (9) any accrued interest received, and (10) disposition date. Such records may be supplied in electronic form. The Rebate Analyst will compute rebate following each Computation Date and deliver a written report to the Trustee and the City together with an opinion or certificate of the Rebate Analyst stating that arbitrage rebate was determined in accordance with the Regulations. Each report and opinion will be provided not later than 45 days following the Computation Date to which it relates. In performing its duties, the Rebate Analyst may rely, in its discretion, on the correctness of financial analysis reports prepared by other professionals. The City will, within 55 days after such Computation Date, pay to the Trustee the rebate amount.

(b) *Rebate Payments.* Within 60 days after each Computation Date, the Trustee must pay (but solely from money provided by the City) to the United States the rebate amount then due, determined in accordance with the Regulations. Each payment must be (1) accompanied by IRS Form 8038-T and such other forms, documents or certificates as may be required by the Regulations, and (2) mailed or delivered to the IRS at the address shown below, or to such other location as the IRS may direct:

Internal Revenue Service Center
Ogden, UT 84201

Section 4.7. Successor Rebate Analyst. If the firm acting as the Rebate Analyst resigns or becomes incapable of acting for any reason, or if the City desires that a different firm act as the Rebate Analyst, then the City by an instrument or concurrent instruments in writing delivered to the firm then serving as the Rebate Analyst and any other party to this Tax Agreement, will engage a successor Rebate Analyst. In each case the successor Rebate Analyst must be a firm of nationally recognized bond counsel or a firm of independent certified public accountants and such firm must expressly agree to undertake the responsibilities assigned to the Rebate Analyst hereunder. In the event the firm acting as the Rebate Analyst resigns or becomes incapable of acting for any reason and the City fails to appoint a qualified successor Rebate Analyst within thirty (30) days following notice of such resignation then the Trustee will appoint a firm to act as the successor Rebate Analyst.

Section 4.8. Filing Requirements. The Trustee and the City will file or cause to be filed with the IRS such reports or other documents as are required by the Code in accordance with an Opinion of Special Counsel.

Section 4.9. Survival after Defeasance. Notwithstanding anything in the Indenture to the contrary, the obligation to pay arbitrage rebate to the United States will survive the payment or defeasance of the Certificates.

ARTICLE V

MISCELLANEOUS PROVISIONS

Section 5.1. Term of Tax Agreement. This Tax Agreement will be effective concurrently with the delivery of the Certificates and will continue in force and effect until all of the Rental Payments represented by the Certificates have been fully paid and all such Certificates are cancelled; provided that, the provisions of **Section 4.2** hereof relating to record keeping shall continue in force for the period described therein for records to be retained.

Section 5.2. Amendments. This Tax Agreement may be amended from time to time by the parties to this Tax Agreement without notice to or the consent of any of the Certificate holders, but only if such amendment is in writing and is accompanied by an Opinion of Special Counsel to the effect that, under then existing law, assuming compliance with this Tax Agreement as so amended, such amendment will not cause the Interest Component of the Rental Payments to be included in gross income for federal income tax purposes. No such amendment will become effective until the City and the Trustee receive an Opinion of Special Counsel as outlined herein.

Section 5.3. Opinion of Special Counsel. The City and the Trustee may deviate from the provisions of this Tax Agreement if furnished with an Opinion of Special Counsel addressed to each of them to the effect that the proposed deviation will not adversely affect the exclusion of the Interest Component of the Rental Payments represented by the Certificates from gross income for federal income tax purposes. The City and the Trustee will comply with any further or different instructions provided in an Opinion of Special Counsel to the effect that the further or different instructions need to be complied with in order to maintain the validity of the Certificates or the exclusion from gross income of the Interest Component of the Rental Payments.

Section 5.4. Reliance. In delivering this Tax Agreement, the City and the Trustee are making only those certifications, representations and agreements as are specifically attributed to them in this Tax

Agreement. Neither the City nor the Trustee is aware of any facts or circumstances which would cause it to question the accuracy of the facts, circumstances, estimates or expectations of any other party providing certifications as part of this Tax Agreement and, to the best of its knowledge, those facts, circumstances, estimates and expectations are reasonable. The parties to this Tax Agreement understand that its certifications will be relied upon by the law firm of Gilmore & Bell, P.C., in rendering its opinion as to the validity of the Certificates and the exclusion from federal gross income of the Interest Component of the Rental Payments.

Section 5.5. Severability. If any provision in this Tax Agreement, in the Lease or the Certificates is determined to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not be affected or impaired.

Section 5.6. Benefit of Agreement. This Tax Agreement is binding upon the City and the Trustee and their respective successors and assigns, and inures to the benefit of the parties to this Tax Agreement and the owners of the Certificates. Nothing in this Tax Agreement or in the Indenture, the Lease, or the Certificates, express or implied, gives to any person, other than the parties to this Tax Agreement, and their successors and assigns, and the owners of the Certificates, any benefit or any legal or equitable right, remedy or claim under this Tax Agreement.

Section 5.7. Default; Breach and Enforcement. Any misrepresentation of a party contained herein or any breach of a covenant or agreement contained in this Tax Agreement may be pursued by the Owners of the Certificates or the Trustee pursuant to the terms of the Indenture or any other document which references this Tax Agreement and gives remedies for a misrepresentation or breach thereof.

Section 5.8. Execution in Counterparts. This Tax Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute the same instrument.

Section 5.9. Governing Law. This Tax Agreement will be governed by and construed in accordance with the laws of the State of Missouri.

Section 5.10. Electronic Transactions. The parties agree that the transaction described in this Tax Agreement may be conducted, and related documents may be sent, received and stored, by electronic means.

The parties to this Tax Agreement have caused this Tax Compliance Agreement to be duly executed by their duly authorized officers as of the Issue Date.

SAMPLE FINAL WRITTEN ALLOCATION
CITY OF SEDALIA, MISSOURI
CERTIFICATES OF PARTICIPATION
SERIES 2017B

Final Written Allocation

The undersigned is the Bond Compliance Officer of the City of Sedalia, Missouri (the “City”) and in that capacity is authorized to execute federal income tax returns required to be filed by the City and to make appropriate elections and designations regarding federal income tax matters on behalf of the City. This allocation of the proceeds of the above-described tax-exempt obligations (the “Certificates”) is necessary for the City to satisfy ongoing reporting and compliance requirements under federal income tax laws.

Purpose. This document, together with the schedules and records referred to below, is intended to memorialize allocations of Certificate proceeds to expenditures for purposes of §§ 141 and 148 of the Internal Revenue Code of 1986, as amended (the “Code”). All allocations are or were previously made no later than 18 months following the date the expenditure was made by the City or, if later, the date the Project was Placed in Service (both as defined below), and no later than 60 days following the 5th anniversary of the Issue Date (as defined below).

Background. The Lease was executed and Certificates delivered on September 14, 2017 (the “Issue Date”) pursuant to a Trust Indenture dated as of September 1, 2017, between the City and the BOKF, N.A., as trustee. The Certificates were delivered in order to provide funds to pay the costs related to the acquisition, improvement and construction of City facilities (the “Project”). Certificate proceeds (consisting of the aggregate principal amount thereof, plus net original issue premium, and less an underwriting discount) were deposited in the Project Fund established under the Indenture.

Sources Used to Fund Project Costs and Allocation of Proceeds to Project Costs. The sources and uses of Certificate proceeds and other legally available money of the City, if any, are shown on **Exhibit A** hereto.

Identification of Financed Assets. The portions of the Project financed from Certificate proceeds (*i.e.*, the “Financed Facility” referenced in the Tax Compliance Agreement) are listed on page 1 of **Exhibit B** hereto.

Identification and Timing of Expenditures for Arbitrage Purposes. For purposes of complying with the arbitrage rules, the City allocates the Certificate proceeds to the various expenditures described in the invoices, requisitions or other substantiation attached as **Exhibit B** hereto. In each case, the cost requisitioned was either paid directly to a third party or reimbursed the City for an amount it had previously paid or incurred. Amounts received from the sale of the Certificates and retained as underwriting discount are allocated to that purpose and spent on the Issue Date.

Placed In Service. The Project was Placed in Service on the date set out on **Exhibit B** hereto. For this purpose, the Financed Facility is considered to be Placed in Service as of the date on which, based on all the facts and circumstances: (1) the constructing and equipping of the Financed Facility has

reached a degree of completion which would permit its operation at substantially its designed level and (2) the Financed Facility is, in fact, in operation at that level.

This allocation has been prepared based on statutes and regulations existing as of this date. The City reserves the right to amend this allocation to the extent permitted by future Treasury Regulations or similar authorities.
