

Progress Along the Prairie Queen Trail

Warming temperatures allows us to focus on progress along the Prairie Queen Trail! The scrap tire material has been delivered to the trail site. Now we need just a little more sunshine to change this future trail from a soggy bog-like substance to firmer ground. Once that occurs, our contractor will be able to apply the scrap tire material. We are getting so close to having our new walk and wheels trail complete!

You may wonder where all the tire material used for projects such as the Prairie Queen Trail is obtained. Some of these places are located right here within our community! Whenever you conduct business with a tire store and have your old tires replaced with newer tires, you can opt for that tire company to recycle your old tires for you at a minimal fee! Do you happen to have an old tire just hanging around your property? This tire can also be taken to one of our local tire companies for recycling, at a minimal fee.

Listed below is contact information for local tire companies who offer the tire recycling services plus an approximate range of prices for the recycling cost per type of tire.

Name	Address	Phone Number	Accepts
CCs Tires	712 W. Main Street	(660) 826-3160	A, P
Firestone	3128 W. Broadway	(660) 851-8731	A, P, +Trailer Tires

VISION STATEMENT

Dynamic life and
Comfortable living in
Greater Missouri

MISSION

The City of Sedalia is committed to meeting the needs of our community through professional leadership and operational excellence.

We deliver efficient, quality municipal services, create opportunities for growth and protect the quality of life that makes our community a desirable place to live.

Congratulations to Councilmembers Thomas Oldham, Andrew Dawson, Bob Cross and Megan Page for receiving their community's voting support on Tuesday, April 2, 2019!

City councilmembers will be sworn in at the April 15, 2019 City Council meeting with a reception held afterward to thank Councilwoman Jo Lynn Turley for her service and to celebrate the appointment of this year's newly elected officials. The public is welcome to attend.

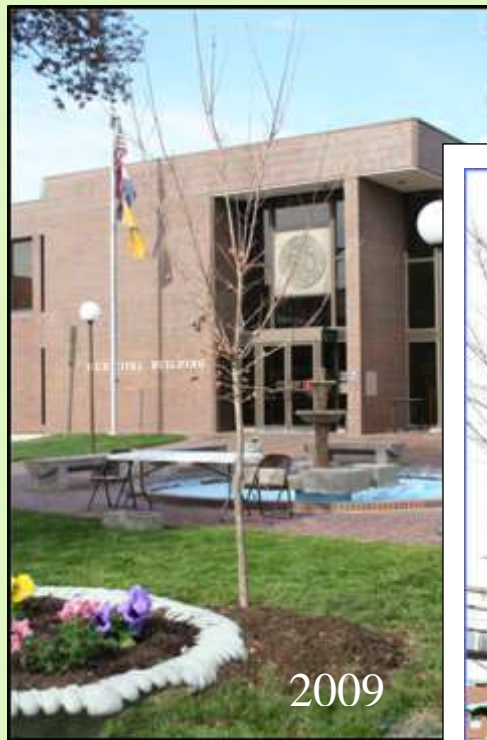

Arbor Day 2019 – Look What Ten Years Can Do!

The City of Sedalia is proud to celebrate its' ten year designation as a Tree City USA!

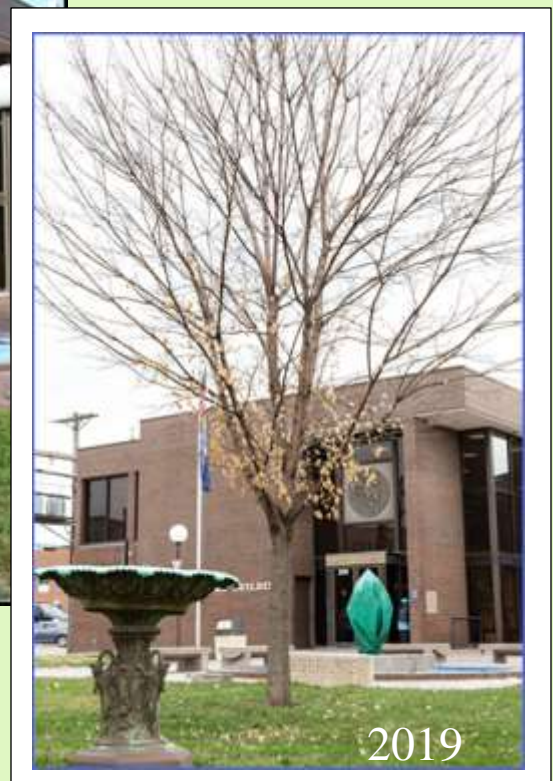

Sedalia is one of more than 3,500 Tree City USAs, with a combined population of 150 million.

Make plans to join our community partners as we celebrate our Tree City USA anniversary along with our annual Arbor Day celebration on Friday, April 5, 2019 at 4:00 p.m.

This year's celebration will be held in front of the Municipal Building at 200 South Osage Avenue.

2009

Drive up - Drop off, you don't even have to get out of your car.

Clean out that medicine cabinet and bring us your old or unused medications (over the counter and/or prescription).

Spring clean-up time is near. What to do with those left-over leaves, branches and yard trimmings?

NO yard or tree waste in the blue recycling cart.

Take yard waste and tree trimmings to the City's Materials Management Site, 27882 Highway "U" to be made into compost or call the Sanitation Department to schedule a free pick-up on demand (2 pick-ups of 2 cubic yards per year) or if you have more material, a nominal fee is available. Please call (660) 827-7820 for more information about this service.

Recycling is a choice. It doesn't take much time and every little bit helps.

Visit the City of Sedalia's website to learn more or call Public Works at (660) 827-3000 ext. 1166.
