THE CERTIFICATES

Section 201. Title and Amount of Certificates. No Certificates may be delivered under this Indenture except in accordance with the provisions of this Article. The Certificates authorized to be delivered under this Indenture shall be designated as “City of Sedalia, Missouri Refunding and Improvement Certificates of Participation,” with such further appropriate particular designation added to or incorporated in such title for the Certificates of any particular series as may be set forth in the provisions of this Indenture or any Supplemental Indenture authorizing such series. The initial series of Certificates will be authorized pursuant to **Section 208** of this Indenture. Additional Certificates may be delivered as provided in **Section 209** of this Indenture.

Section 202. Limited Obligations.

(a) Each Certificate shall evidence the undivided interest of the Registered Owner thereof in the rights to receive Rental Payments from the City under the Lease. The Certificates are limited obligations and are payable solely out of the Rental Payments and other payments, revenues and receipts derived under the Lease (including, in certain circumstances, Certificate proceeds and income from the temporary investment thereof and Net Proceeds), and are secured by a pledge and assignment of the Trust Estate by the Trustee in favor of the Registered Owners of the Certificates, as provided in this Indenture. Neither the Certificates nor the Rental Payments payable pursuant to the Lease shall constitute a debt or liability of the City beyond the Lease Term in effect at any time and shall not constitute a general obligation or indebtedness of the City within the meaning of any constitutional or statutory debt limitation or restriction.

(b) No provision, covenant or agreement contained in this Indenture or the Certificates, or any obligation herein or therein imposed upon the City, or any breach thereof, shall constitute or give rise to or impose upon the City a pecuniary liability or a charge upon the general credit of the City. No officer, employee, agent or board member of the Trustee or the City, nor any person executing the Certificates shall be personally liable with respect to the Certificates by reason of the delivery thereof.

Section 203. Denomination, Numbering and Dating of Certificates. Certificates shall be delivered in the form of fully registered Certificates without coupons in the denomination of \$5,000 or any integral multiple thereof. The Series 2019 Certificates shall be dated and numbered as provided in **Section 208** of this Indenture. Certificates of each series of Additional Certificates shall be dated and numbered as provided in the Supplemental Indenture authorizing such series of Additional Certificates.

Section 204. Method and Place of Payment of Certificates.

(a) The Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for payment of debts due the United States of America.

(b) Amounts representing the Principal Component and premium, if any, payable with respect to the Certificates shall be payable at maturity or upon earlier prepayment by check or draft to the persons in whose names such Certificates are registered on the Certificate Register at the maturity or prepayment date thereof, upon the presentation and surrender of such Certificates at the corporate trust office of the Trustee or of any Paying Agent named in the Certificates or at such other office as the Trustee may indicate.

(c) Amounts representing the Interest Component payable with respect to each Certificate on any Certificate Payment Date shall be paid to the person in whose name such Certificate is registered at the close of business on the Record Date for such interest by check or draft mailed by the Paying Agent to such Registered Owner at the address shown on the Certificate Register. Upon the request and at the expense of any Registered Owner of Certificates representing at least \$500,000 in Principal Component, payments with respect to the Certificates shall be made by electronic transfer to the bank (which shall be in the continental United States) for credit to the ABA routing number and the account name and account number designated to the Trustee by such Registered Owner no later than five Business Days preceding the Record Date.

(d) Defaulted Interest with respect to any Certificate shall cease to be payable to the Owner of such Certificate on the relevant Record Date and shall be payable to the Owner in whose name such Certificate is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed in the following manner. The City shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Certificate and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence), and shall deposit with the Trustee at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment; money deposited with the Trustee shall be held in trust for the benefit of the Owners of the Certificates entitled to such Defaulted Interest as provided in this Section. Following receipt of such funds the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment (unless the Trustee agrees to a shorter period). The Trustee shall, at the expense of the City, cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Owner of a Certificate entitled to such notice at the address of such Owner as it appears on the Certificate Register not less than 10 days prior to such Special Record Date.

Section 205. Execution of Certificates.

(a) Each Certificate shall be executed by the manual signature of an authorized signatory of the Trustee. In case any person whose signature appears on any Certificate shall cease to be an authorized signatory before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any Certificate may be signed by a person who at the actual time of the execution of such Certificate shall be a person authorized to sign such Certificate although at the date of such Certificate such person may not have been so authorized.

(b) No Certificate shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purpose unless and until such Certificate shall have been duly executed by the Trustee. Such execution shall be conclusive evidence that such Certificate has been duly executed and delivered under this Indenture. Any Certificate shall be deemed to have been duly executed if signed by any authorized signatory of the Trustee, but it shall not be necessary that the same signatory sign all of the Certificates of any series.

Section 206. Registration, Transfer and Exchange of Certificates.

(a) The Trustee is hereby appointed Certificate Registrar and as such shall keep a Certificate Register for the registration and for the transfer of Certificates as provided in this Indenture. Each Certificate when delivered shall be registered in the name of the Registered Owner thereof on the Certificate Register.

(b) Any Certificate may be transferred only upon the Certificate Register upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his attorney or legal representative in a form satisfactory to the Trustee. Upon any such transfer, the Trustee shall execute and deliver in exchange for such Certificate one or more new fully registered Certificates, registered in the name of the designated transferee, of any authorized denomination and of like series, maturity and aggregate stated principal amount.

(c) Any Certificate, upon surrender thereof to the Trustee, together with an assignment duly executed by the Registered Owner or his attorney or legal representative in a form satisfactory to the Trustee, may, at the option of the Registered Owner thereof, be exchanged for one or more Certificates of any authorized denomination and of like series, maturity and aggregate stated principal amount.

(d) When any Certificate is surrendered for exchange or transfer hereunder, the Trustee shall execute and deliver one or more new Certificates at the earliest practicable time in accordance with the provisions of this Indenture. All Certificates surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee. The Trustee may make a charge to the Registered Owner requesting the same for every such exchange or transfer of Certificates sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer, and such charge shall be paid before any such new Certificate shall be delivered. The fees and charges of the Trustee for making any transfer or exchange hereunder and the expense of any certificate printing necessary to effect such transfer or exchange shall be paid by the City as Additional Payments. In the event any Registered Owner fails to provide a correct taxpayer identification number to the Trustee, the Trustee may make a charge against such Registered Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Trustee from amounts otherwise payable to such Registered Owner hereunder or with respect to the Certificates.

(e) At reasonable times and under reasonable regulations established by the Trustee, the Certificate Register may be inspected and copied by the City or the Owners (or a designated representative thereof) of 10% or more in principal amount of Certificates then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

(f) The Trustee shall not be required to register the transfer of or exchange any Certificate after notice calling such Certificate or portion thereof for prepayment has been given or during the period of fifteen days next preceding the first mailing of such notice of prepayment.

Section 207. Persons Deemed Registered Owners of Certificates. The person in whose name any Certificate shall be registered as shown on the Certificate Register shall be deemed and regarded as the absolute Registered Owner thereof for all purposes, and payment of any amount representing principal, premium, if any, or interest with respect to such Certificate shall be made only to or upon the order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability represented by such Certificate to the extent of the sum or sums so paid.

Section 208. Authorization of Series 2019 Certificates.

(a) There shall be initially delivered and secured by this Indenture a series of Certificates in the aggregate principal amount of \$29,445,000 for the purpose of providing funds to pay Project Costs and to advance refund the Refunded Certificates (including costs of delivery and incidental costs of refunding the Refunded Certificates), which series of Certificates shall be designated “City of Sedalia, Missouri Refunding and Improvement Certificates of Participation, Series 2019” (herein called the “**Series 2019 Certificates**”). All Certificates which have been paid or prepaid or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Indenture, either at or before maturity, shall be canceled by the Trustee immediately upon such payment, prepayment or purchase and the surrender thereof to the Trustee. All Certificates canceled under any of the provisions of this Indenture shall be destroyed by the Trustee. The Trustee shall execute a certificate describing the Certificates so destroyed and shall file an executed counterpart of such certificate with the City.

Section 212. Certificates Delivered in Book-Entry Form.

(a) In such case, the Certificates shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Certificates, except in the event the Certificate Registrar delivers Replacement Certificates as provided in subsection (b) of this Section. It is anticipated that during the term of the Certificates, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Certificates to the Participants until and unless the Certificate Registrar authenticates and delivers Replacement Certificates to the Beneficial Owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Certificates being delivered to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Certificates, or (2) if the Certificate Registrar receives written notice from Participants having interests in not less than 50% of the Certificates Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Certificates being delivered to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Certificates, then the Certificate Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Certificate Registrar shall register in the name of and authenticate and deliver Replacement Certificates to the Beneficial Owners or their nominees in Principal Components representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued Interest Components and previous calls for prepayment; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Certificate Registrar, may select a successor securities depository in accordance with **Section 212(c)** below to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when at least one Certificate is registered in the name of the Securities Depository or its nominee. Upon the delivery of Replacement Certificates, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Certificate Registrar, to the extent applicable with respect to such Replacement Certificates. If the Securities Depository resigns and the City, the Certificate Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with **Section 212(c)**, then the Certificate Registrar shall authenticate and cause delivery of Replacement Certificates to Owners, as provided herein. The Certificate Registrar may rely on information from the Securities Depository and its Participants as to the names and addresses of and the amounts held by the Beneficial Owners of the Certificates. The cost of printing, registration, authentication and delivery of Replacement Certificates shall be paid for by the City.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Certificate Registrar and the City receive written evidence with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Certificate Registrar upon its receipt of a Certificate or Certificates for cancellation shall cause the delivery of Certificates to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE III

PREPAYMENT OF CERTIFICATES

Section 301. Prepayment of Certificates Generally. The Series 2019 Certificates shall be subject to prepayment prior to maturity in accordance with the terms and provisions set forth in this Article. Additional Certificates shall be subject to prepayment prior to maturity in accordance with the terms and provisions contained in this Article and as may be specified in the Supplemental Indenture authorizing such Additional Certificates.

Section 302. Prepayment of Series 2019 Certificates.

(a) **Optional Prepayment.** The Series 2019 Certificates are subject to prepayment on and after June 1, 20___, as a whole or in part at any time at 100% of the Principal Component represented thereby, plus the Interest Component accrued thereon to the prepayment date.

(b) **Extraordinary Optional Prepayment.** The Certificates shall be subject to prepayment prior to the stated maturity thereof, upon instructions from the City, in whole or in part on any date, at a prepayment price equal to 100% of the principal amount of the Certificates to be prepaid plus interest accrued thereon to the prepayment date, upon the occurrence of any of the following conditions or events:

(1) if title to, or the use for a limited period of, all or substantially all of the Project or the Project Site is condemned by any authority having the power of eminent domain (other than the City or any entity controlled by or otherwise affiliated with the City);

(2) if title to all or substantially all of the Project or the Project Site is found to be deficient or nonexistent to the extent that the efficient utilization of the Project or the Project Site by the City is impaired;

(3) if all or substantially all of the Project or the Project Site is damaged or destroyed by fire or other casualty; or

(4) if as a result of changes in the constitution of the State, or of legislative or administrative action by the State or any political subdivision thereof, or by the United States, or by reason of any action instituted in any court, the Base Lease, the Lease or this Indenture shall become void or unenforceable, or impossible of performance without unreasonable delay, or in any other way, by reason of such change of circumstances, unreasonable burdens or excessive liabilities are imposed on the City with respect to the Base Lease, the Lease or this Indenture.

Section 303. Selection of Certificates to Be Prepaid.

(a) Certificates shall be prepaid only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Certificates of any series are to be prepaid prior to maturity (other than by mandatory sinking fund prepayment, if any), the City shall designate which maturities of such series of the Certificates shall be prepaid. Certificates to be prepaid of less than a full maturity shall be selected by the Trustee in \$5,000 units of face value by lot or in such other equitable manner as the Trustee may determine.

(b) In the case of a partial prepayment of Certificates when Certificates of denominations greater than \$5,000 units of face value are then Outstanding, then for all purposes in connection with such prepayment, each \$5,000 unit of face value shall be treated as though it were a separate Certificate. If it is determined that one or more, but not all, of the \$5,000 units of face value represented by any Certificate is selected for prepayment, then upon notice of intention to prepay such \$5,000 unit or units, the Registered Owner of such Certificate or his duly authorized agent shall forthwith present and surrender such Certificate to the Trustee (1) for payment of the prepayment price (including amounts representing premium, if any, and Interest Components to the date fixed for prepayment) of the \$5,000 unit or units of face value called for prepayment, and (2) for exchange, without charge to the Registered Owner thereof, for a new Certificate or Certificates of the aggregate principal amount of the unprepaid portion of the principal amount of such Certificate. If the Registered Owner of any such Certificate of a denomination greater than \$5,000 fails to present such Certificate to the Trustee for payment and exchange as aforesaid,

such Certificate shall, nevertheless, become due and payable on the prepayment date to the extent of the \$5,000 unit or units of face value called for prepayment (and to that extent only).

Section 304. Trustee's Duty to Prepay Certificates.

(a) The Trustee shall call Certificates for prepayment and payment as herein provided and shall give notice of prepayment as provided in **Section 305** upon receipt by the Trustee at least 45 days prior to the prepayment date of a written request of the City. Such request shall specify the principal amount of Certificates of each maturity to be called for prepayment, the applicable prepayment price or prices and the above-mentioned provision or provisions pursuant to which such Certificates are to be called for prepayment. The Trustee shall be entitled to rely conclusively on such written request in exercising its duty to give notice of the call for such prepayment as provided in **Section 305**.

(b) Reference is hereby made to **Section 5.6** of the Lease, wherein the City is given the right to direct the Trustee to prepay Certificates under certain circumstances under the foregoing provisions of this Article. The Trustee shall comply with any direction of the City given pursuant to said **Section 5.6** of the Lease upon satisfaction of the conditions specified therein precedent to the City's right to direct such a prepayment.

Section 305. Notice and Effect of Call for Prepayment. Official notice of any prepayment shall be given by the Trustee by mailing a copy of an official prepayment notice at least 20 days prior to the date fixed for prepayment by first class mail to the Purchaser of the Certificates and the Registered Owner of the Certificate or Certificates to be prepaid, unless waived by any Registered Owner thereof, at the address shown on the Certificate Register as of the date of the notice.

All official notices of prepayment shall be dated and shall state:

- (1) the prepayment date,

- (3) if less than all Outstanding Certificates are to be prepaid, the identification number, series, maturity date (and, in the case of partial prepayment of any Certificates, the respective principal amounts) of the Certificates to be prepaid,
- (4) that on the prepayment date the prepayment price will become due and payable upon each such Certificate or portion thereof called for prepayment, and that interest thereon shall cease to accrue from and after said date, and
- (5) the place where such Certificates are to be surrendered for payment of the prepayment price, which place of payment shall be the corporate trust office of the Trustee or such other office as the Trustee shall designate.

With respect to optional prepayments, such notice may be conditioned upon moneys being on deposit with the Trustee on or prior to the prepayment date in an amount sufficient to pay the prepayment price on the prepayment date. If such notice is conditional and either the Trustee receives written notice from the City that moneys sufficient to pay the prepayment price will not be on deposit on the prepayment date, or such moneys are not received on the prepayment date, then such notice shall be of no force and effect, the Trustee shall not prepay such Certificates and the Trustee shall give notice, in the same manner in which the notice of prepayment was given, that such moneys were not or will not be so received and that such Certificates will not be prepaid.

The failure of any Owner of Certificates to receive notice given as provided in this Section, or any defect therein, shall not affect the validity of any proceedings for the prepayment of any Certificates.

On or prior to any prepayment date, funds shall be on deposit with the Trustee which are sufficient to pay the prepayment price of all the Certificates or portions of Certificates that are to be prepaid on that date in addition to any amounts therein required for regularly scheduled payments of amounts representing Principal and Interest Components with respect to the Certificates.

Official notice of prepayment having been given as aforesaid, the Certificates or portions of Certificates so to be prepaid shall, on the prepayment date, become due and payable at the prepayment price therein specified, and from and after such date (unless the City shall default in the payment of the prepayment price), the Registered Owners of such Certificates or portion of Certificates shall no longer be entitled to receive any additional Interest Component of the Rental Payments. Upon surrender of such Certificates for prepayment in accordance with said notice, such Certificates shall be paid by the Trustee at the prepayment price. Installments of Interest Components due on or prior to the prepayment date shall be payable as herein provided for payment of Interest Components. Upon surrender for any partial prepayment of any Certificate, there shall be prepared for the Registered Owner a new Certificate or Certificates of the same maturity in the amount of the unpaid principal. All Certificates which have been prepaid shall be canceled and destroyed by the Trustee and shall not be redelivered.

Upon the happening of the above conditions, and notice having been given as provided above, the Registered Owners of such Certificates or portion of the Principal Component with respect to the Certificates thus called for prepayment shall no longer be entitled to receive any additional Interest Component of the Rental Payments after the specified prepayment date, and such Certificates or portion of the Principal Component with respect to the Certificates thus called for prepayment shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture.

Any defect in any notice or the failure of any parties to receive any notice of prepayment shall not cause any Certificate called for prepayment to remain Outstanding.

For so long as the Securities Depository is effecting book-entry transfers of the Certificates, the Certificate Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Certificate (having been mailed notice from the Certificate Registrar, the Securities Depository, a Participant or otherwise) to notify the beneficial owner of the Certificate so affected, shall not affect the validity of the prepayment of such Certificate.

Section 306. Revised Schedule of Rental Payments and Option Purchase Price. Upon partial prepayment of Certificates, the Trustee shall provide the City with a revised schedule of Rental Payments and a revised schedule setting forth the Option Purchase Price which schedule shall take into account such prepayment or delivery and shall be and become for all purposes thereafter included in **Schedule 4** to the Lease; provided, however, that nothing herein shall be construed to authorize or permit a revision of the Optional Purchase Dates from those originally provided in the Lease.

ARTICLE IV

FORM OF CERTIFICATES

Section 401. Forms Generally. The Certificates shall be in substantially the form set forth in **Exhibit A** to this Indenture. Any Additional Certificates shall also be in substantially the form set forth in **Exhibit A**, with such necessary or appropriate variations, omissions and insertions as are permitted or required by this Indenture or any Supplemental Indenture. The Certificates may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any custom, usage or requirement of law with respect thereto.

ARTICLE V

CREATION OF FUNDS; CUSTODY AND APPLICATION OF CERTIFICATE PROCEEDS

Section 501. Creation of Funds. There are hereby created and ordered to be established in the custody of the Trustee the following special trust funds in the name of the City to be designated as follows:

- (a) Certificate Fund; and
- (b) Project Fund.

Within each Fund created hereunder, a separate account shall be created for each series of Certificates. The Trustee is authorized to segregate moneys within such accounts, as instructed by the City, as necessary, on a book-entry basis or in such other manner as the Trustee may deem necessary or convenient.

In addition, the Escrow Agreement establishes the Escrow Fund to be held and administered by the Escrow Agent in accordance with the provisions of the Escrow Agreement.

Section 502. Allocation of Certificate Proceeds and Other Moneys. The net proceeds received from the sale of the Series 2019 Certificates, together with other available funds of the City, shall be deposited or applied as follows:

- (a) To the Escrow Agent for deposit in the Escrow Fund, an initial cash balance sufficient to provide for the defeasance and refunding of the Refunded Certificates in accordance with the Escrow Agreement.
- (b) To the Project Fund, the balance of the proceeds to be received from the sale of the Series 2019 Certificates.

Section 503. Deposits into the Project Fund. The following moneys shall be paid over to and deposited by the Trustee in the applicable subaccount of the Project Fund, as and when received:

- (a) The proceeds from the sale of the Series 2019 Certificates, to the extent required by **Section 502** hereof.

(b) The proceeds from the sale of Additional Certificates (except Additional Certificates delivered to refund Outstanding Certificates), to the extent provided in the Supplemental Indenture authorizing such Additional Certificates;

(c) The Net Proceeds of casualty insurance, title insurance or condemnation awards required to be deposited into the Project Fund pursuant to the Lease;

(d) All payment and performance and labor and material bond payments and any and all payments from any contractors or other suppliers by way of breach of contract, refunds or adjustments required to be deposited into the Project Fund pursuant to the Lease; and

(e) Except as otherwise provided herein or in the Lease, any other moneys received by or to be paid to the Trustee from any other source for the acquisition, construction, improvement, furnishing and equipping of the Project, to the extent directed in writing by the Authorized City Representative to be deposited into the Project Fund.

Section 504. Disbursements from the Project Fund.

(a) So long as no Event of Default or Event of Nonappropriation has occurred and is continuing, the money in the Project Fund shall be disbursed by the Trustee for the payment of remaining Project Costs upon receipt of requisition certificates in substantially the form attached to the Lease as **Schedule 3**, and signed by an Authorized City Representative. All disbursements of Project Fund moneys shall, at the option of the City, be made either directly to the appropriate payees or to the City for reimbursement of Project Costs. The Trustee hereby covenants and agrees to disburse such money in accordance with the provisions of this Section. In making disbursements for Project Costs, the Trustee may conclusively rely as to the completeness and accuracy of all statements in such requisition certificate without inquiry or investigation if such requisition certificate is signed by the Authorized City Representative. It is understood that the Trustee shall not make any inspections of the Project nor any improvements thereon, make any provision to obtain completion certificates, mechanic's or materialmen's lien releases or otherwise supervise any phase of the acquisition, construction, improvement, furnishing or equipping of the Project. The receipt of a requisition signed by the Authorized City Representative shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payment of the specified amounts from the Project Fund have been completed.

(b) The Trustee shall keep and maintain adequate records pertaining to the Project Fund (and the subaccounts therein), earnings thereon and all disbursements therefrom, and after the Project has been completed and a certificate of payment of all costs filed as provided in **Section 505** below, the Trustee shall file with the City a final statement of receipts and disbursements with respect thereto.

Section 505. Disposition upon Completion of the Project. The completion of the Project and payment of all costs and expenses incidental thereto shall be evidenced by the filing with the Trustee by the Authorized City Representative of the Completion Certificate required by **Section 4.4** of the Lease. As soon thereafter as practicable, any balance remaining in the Project Fund (other than amounts retained by the Trustee as specified in said certificate) shall without further authorization be deposited in the applicable subaccount of the Certificate Fund and applied by the Trustee as directed in writing by the City solely (i) to pay amounts representing Principal Component or premium, if any, with respect to the Certificates upon the payment or prepayment thereof at the earliest date permissible under the terms of this Indenture, or (ii) at the option of the City, to purchase Certificates at such earlier date or dates as the City may elect. The balance remaining in the Project Fund and transferred to the Certificate Fund shall be invested in accordance with the written direction of the City. Any investment direction of the City shall be in compliance with the Tax Compliance Agreement. Any earnings on such investments may be

applied to pay amounts representing Principal Components, premium, if any, or Interest Components with respect to the Certificates. Any Certificates purchased by the Trustee pursuant to this provision with moneys from the Certificate Fund will be deemed canceled. From time to time as the proper disposition of the amounts retained by the Trustee and specified in said certificate shall be determined, to the extent that such amounts are not paid out by the Trustee pursuant to **Section 504** of this Indenture, the City shall so notify the Trustee by one or more certificates as aforesaid and amounts from time to time no longer to be so retained by the Trustee shall be so deposited in the applicable subaccount of the Certificate Fund and applied by the Trustee as aforesaid.

Section 506. Disposition upon Acceleration. If any of the Certificates shall have become due and payable pursuant to **Section 802** of this Indenture, upon the date of payment by the Trustee of any money due as hereinafter provided in **Article IX** of this Indenture, any balance remaining in the Project Fund shall without further authorization be deposited in the applicable subaccount of the Certificate Fund by the Trustee with written notice to the City of such action.

ARTICLE VI

REVENUES AND FUNDS

Section 601. Deposits into the Certificate Fund. The Trustee shall deposit into the applicable subaccount of the Certificate Fund, as and when received, the following moneys:

- (a) All Rental Payments payable by the City to the Trustee specified in the Lease;
- (b) Any amount remaining in the Project Fund to be transferred to the Certificate Fund pursuant to **Section 505** of this Indenture upon completion of the Project and any amount remaining in the Project Fund to be transferred to the Certificate Fund pursuant to **Section 506** of this Indenture upon acceleration of the maturity of any of the Certificates;
- (c) The balance of any Net Proceeds of insurance or condemnation awards received by the Trustee pursuant to **Article VIII** of the Lease;
- (d) All interest and other income derived from investments of moneys required to be transferred to the Certificate Fund as provided in **Section 702** of this Indenture; and
- (e) All other moneys received by the Trustee when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Certificate Fund.

Section 602. Application of Moneys in the Certificate Fund.

- (a) Except as provided in this Section and in **Section 807** of this Indenture, moneys in the Certificate Fund shall be expended solely for (1) the payment of the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates as the same mature and become due or upon the prepayment thereof, or (2) to purchase Certificates for cancellation prior to maturity.
- (b) The Trustee is hereby authorized and directed to withdraw sufficient moneys from the applicable subaccount of the Certificate Fund to pay the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates as the same become due and payable and to make said moneys available to the Paying Agent for the purpose of paying such amounts.

(c) The Trustee, upon written direction of the City, shall use any moneys in the Certificate Fund (1) to prepay all or part of the Certificates Outstanding and the Interest Component of Rental Payments to accrue with respect thereto prior to such prepayment, in accordance with and to the extent permitted by **Article III** of this Indenture so long as the City is not in default with respect to any payments under the Lease and to the extent said moneys are in excess of the amount required for payment of Certificates theretofore matured or called for prepayment, and (2) to pay past due interest in all cases when such Certificates have not been presented for payment. The City may cause such excess moneys in the Certificate Fund or such part thereof or other moneys of the City, as the City may direct, to be applied by the Trustee to purchase Certificates in the open market for the purpose of cancellation, at prices not exceeding the principal amount thereof plus interest accrued with respect thereto to the date of delivery for cancellation.

(d) After payment or provision for payment in full of the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates, and the fees, charges and expenses of the Trustee and any Paying Agent and any other amounts required to be paid under this Indenture and the Lease, all amounts remaining in the Certificate Fund shall be paid to the City.

Section 603. Payments Due on Days Other than Business Days. In any case where any amount representing Principal Component, premium, if any, or Interest Component with respect to any Certificate is payable on a day other than a Business Day, then such amounts with respect to the Certificates need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made when due, and no interest shall accrue for the period after such date.

Section 604. Nonpresentment of Certificates. In the event that any Certificate is not presented for payment when the Principal Component and premium, if any, with respect thereto becomes due, whether at maturity, upon prepayment or otherwise, or at the date fixed for prepayment thereof, if funds sufficient to pay such Certificate shall have been made available to the Trustee, all liability of the City to the Registered Owner thereof for the payment of such Certificate shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such funds, without liability for Interest Components with respect thereto, for the benefit of such Registered Owner of such Certificate, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Indenture with respect to such Certificate. If any Certificate is not presented for payment within one year following the date when such Certificate becomes due, whether by maturity, upon prepayment or otherwise, the Trustee upon the request of the City shall repay to the City without liability for interest thereon the funds theretofore held by the Trustee for payment of such Certificate, and such Certificate shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

ARTICLE VII

SECURITY FOR DEPOSITS AND INVESTMENT OF MONEYS

Section 701. Moneys to Be Held in Trust. All moneys deposited with or paid to the Trustee for the account of any Fund under any provision of this Indenture, and all moneys deposited with or paid to any Paying Agent under any provision of this Indenture, shall be held by the Trustee or Paying Agent in trust and shall be applied only in accordance with the provisions of this Indenture and the Lease and, until used or applied as so provided, shall constitute part of the Trust Estate and be subject to the lien of

this Indenture. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys except as provided herein.

Section 702. Investment of Moneys in Funds.

(a) Money in the Funds held by the Trustee hereunder shall, pursuant to the City's direction given by the Authorized City Representative, confirmed in writing, and subject to the Tax Compliance Agreement, be separately invested and reinvested by the Trustee in Permitted Investments which mature or are subject to prepayment by the holder prior to the date when such money will be needed or, if such written directions are not received, then the Trustee shall invest such money in money market mutual funds described in (f) of the definition of Permitted Investments. After the Trustee has notice pursuant to **Section 901(h)** of this Indenture of the existence of an Event of Default or an Event of Nonappropriation, the Trustee shall direct the investment of money in the Funds held by it hereunder. The Trustee shall sell and reduce to cash a sufficient amount of such Permitted Investments whenever the cash balance in any Fund is insufficient for the purposes of such Fund. The Trustee may make any and all investments permitted by the provisions of this Section through its own bond department or any affiliate or short-term investment department. The Trustee shall be entitled to rely on any written investment direction of an Authorized City Representative as to the suitability and legality of such directed investment and, if the Interest Component of Rental Payments is excluded from gross income for federal income tax purposes, that such written investment direction complies with the requirements of the Tax Compliance Agreement.

(b) Any Permitted Investments shall be held by or under the control of the Trustee and will be deemed at all times to be a part of the Fund in which such money is originally held. The interest earnings and any profit realized from Permitted Investments in any Fund hereunder shall be credited to the applicable subaccount of the Certificate Fund. However, prior to the Completion Date, the City may, in its sole discretion, direct the Trustee in writing to deposit all interest earnings and profit realized from Permitted Investments to the applicable subaccount of the Project Fund. Any loss resulting from Permitted Investments shall be charged to the applicable Fund.

(c) In determining the balance in any Fund, investments in such Funds shall be valued at the lower of their original cost or their fair market value as of the most recent Record Date, or as frequently as deemed necessary.

(d) Although the City recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the City hereby agrees that confirmations of Investment Securities are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

ARTICLE VIII

DEFAULT AND REMEDIES

Section 801. Events of Default. If any of the following events occur, it is hereby defined as and declared to be and to constitute an Event of Default under this Indenture:

(a) Default in the due and punctual payment of any amount representing Interest Components with respect to any Certificate;

(b) Default in the due and punctual payment of any amount representing Principal Components or premium, if any, with respect to any Certificate, whether at maturity, upon prepayment or otherwise;

(c) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of the City in this Indenture or in the Certificates contained (other than a default described in (a) or (b) above) or in any other document or instrument that secures or otherwise relates to the obligations hereby secured, and the continuance thereof for a period of 30 days after written notice thereof shall have been given to the City by the Trustee, or to the Trustee (which notice of default the Trustee shall be required to accept) and the City by the Registered Owners of not less than 25% in aggregate principal amount of Certificates then Outstanding; provided, however, if any default shall be such that it cannot be corrected within such 30-day period, it shall not constitute an Event of Default if corrective action is instituted by the City within such period and diligently pursued until the default is corrected, so long as said default is corrected within 60 days after written notice thereof was first given as hereinabove provided unless the Trustee otherwise consents; or

(d) An Event of Default as specified in **Section 12.1** of the Lease shall have occurred.

Section 802. Acceleration of Maturity.

(a) If an Event of Default or an Event of Nonappropriation shall have occurred and be continuing, (1) the Trustee may, and (2) the Trustee shall, at the written direction of the Registered Owners of not less than 25% in aggregate principal amount of Certificates then Outstanding, by notice in writing delivered to the City, declare the Rental Payments and Additional Payments payable during the current Renewal Term immediately due and payable, and such Rental Payments and Additional Payments shall thereupon become and be immediately due and payable, anything in this Indenture or in the Certificates to the contrary notwithstanding.

(b) If, at any time after such declaration, but before the Certificates shall have matured by their terms, all overdue installments representing Principal and Interest Components with respect to the Certificates, together with the reasonable and proper costs, charges, fees and expenses of the Trustee, and all other sums then payable by the City under this Indenture either has been paid or provision satisfactory to the Trustee for such payment has been made, then and in every such case the Trustee shall, upon the written request of the Registered Owners of not less than a majority in aggregate Principal Components of the Certificates Outstanding, rescind such declaration and annul such default in its entirety. In such event, the Trustee shall rescind any declaration of acceleration of installments of Rental Payments made pursuant to **Section 12.2** of the Lease.

(c) In case of any rescission, then and in every such case the City, the Trustee and the Registered Owners shall be restored to their former position and rights hereunder respectively, but no such rescission shall extend to any subsequent or other default or Event of Default or Event of Nonappropriation or impair any right consequent thereon.

Section 803. Surrender of Possession of Project Site; Rights and Duties of Trustee in Possession. If an Event of Default or an Event of Nonappropriation shall have occurred and be continuing, the City, upon written demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of the Project Site, together with the books, records and accounts of the City pertaining thereto, and the Trustee may exercise all rights under the Lease and/or the Base Lease, and to hold, operate and manage the Project Site, and the right from time to time to make all needful repairs and improvements as shall be deemed wise by the Trustee; and the Trustee may lease the Project Site or any part thereof, and collect,

receive and sequester the payments, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including without limitation (i) reasonable compensation to the Trustee, its agents and counsel, (ii) any charges of the Trustee hereunder, (iii) any taxes and assessments and other charges prior to the lien of this Indenture or the leasehold interest granted by the Base Lease, which the Trustee may deem it wise to pay, and (iv) all expenses of such repairs and improvements, and the Trustee shall apply the remainder of the moneys so received in accordance with the provisions of **Section 808** of this Indenture. Whenever all amounts with respect to the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates shall have been paid and all defaults made good, the Trustee shall surrender possession of the Project Site to the City, its successors or assigns, the same right of entry, however, to exist upon any subsequent Event of Default or Event of Nonappropriation. While in possession of such property, the Trustee shall render annually to the City a summarized statement of receipts and expenditures in connection therewith.

Section 804. Appointment of Receivers. If an Event of Default or an Event of Nonappropriation shall have occurred and be continuing, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights and remedies of the Trustee and of the Registered Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate, or any part thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 805. Exercise of Remedies by the Trustee.

(a) If an Event of Default or Event of Nonappropriation has occurred and is continuing, (1) the Trustee may, and (2) the Trustee shall, upon the written request of the Registered Owners of not less than 25% in aggregate principal amount of Certificates then Outstanding, and upon being indemnified as provided in **Section 901(i)** of this Indenture, pursue and exercise any available remedy at law or in equity by suit, action, mandamus or other proceeding or exercise such one or more of the rights and remedies conferred by this Indenture, the Lease and the Base Lease as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Registered Owners, to enforce the payment of the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates then Outstanding and to enforce and compel the performance of the duties and obligations of the City under the Lease.

(b) All rights of action under this Indenture or under any of the Certificates may be enforced by the Trustee without the possession of any of the Certificates or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without necessity of joining as plaintiffs or defendants any Registered Owners of the Certificates, and any recovery of judgment shall, subject to the provisions of **Section 808** of this Indenture, be for the equal benefit of all the Registered Owners of the Outstanding Certificates.

Section 806. Limitation on Exercise of Remedies by Registered Owners. No Registered Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) an Event of Default or Event of Nonappropriation has occurred of which the Trustee has been notified or is deemed to have notice as provided in **Section 901(h)** of this Indenture, (b) the Registered Owners of not less than 25% in aggregate principal amount of Certificates then Outstanding shall have made written request to the Trustee and have furnished the Trustee reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and have furnished to the Trustee indemnity as

provided in **Section 901(l)** of this Indenture, and (c) the Trustee thereafter fails or refuses to exercise the powers and remedies herein granted or to institute such action, suit or proceeding in its own name. No one or more Registered Owners shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided. All proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Registered Owners of all Certificates then Outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Registered Owner to payment of amounts representing Principal and Interest Components of the Rental Payments represented by any Certificate at and after the maturity thereof or the obligation of the City to provide for payment of the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by any Certificate delivered hereunder to the respective Registered Owners thereof at the time, place, from the source and in the manner herein and in the Certificates expressed.

Section 807. Right of Registered Owners to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the Registered Owners of not less than a majority in aggregate Principal Components with respect to the Certificates then Outstanding shall have the right at any time, upon an Event of Default or an Event of Nonappropriation, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and to the extent not inconsistent with this Section.

Section 808. Application of Moneys in Event of Default or Event of Nonappropriation.

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs, fees, charges, and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee, including any attorneys' fees and expenses, be deposited in the applicable subaccount of the Certificate Fund. All moneys so deposited in the Certificate Fund shall be applied as follows:

(1) Unless any of the Principal Components with respect to any Certificates shall have become or shall have been declared due and payable, all such moneys shall be applied:

First -- To the payment to the persons entitled thereto of all installments of amounts representing Interest Components then due and payable with respect to any Certificates, in the order in which such interest installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such Interest Component installment, to the persons entitled thereto, without any discrimination or privilege; and

Second -- To the payment to the persons entitled thereto of the unpaid amounts representing Principal Components with respect to any of the Certificates which have become due and payable (other than Certificates called for prepayment for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates and, if the amount available shall not be sufficient to pay in full amounts representing Principal Components due with respect to Certificates on any particular date, then to the payment, ratably, according to the amount of Principal Components due on such date, to the persons entitled thereto without any discrimination or privilege.

(2) If any of the Principal Component of the Rental Payments represented by the Outstanding Certificates has become due or been declared due and payable, all such moneys shall be applied to the payment of the amounts then due and unpaid with respect to such Certificates, without preference or priority of Principal Component over Interest Component or of Interest Component over Principal Component or of any installment of Interest Component over any other installment of Interest Component or of any Certificate over any other Certificate, ratably, according to the amounts due respectively for the Principal Component and Interest Component, to the persons entitled thereto, without any discrimination or privilege.

(3) If the Principal Component of the Rental Payments represented by any of the Outstanding Certificates has been declared due and payable, and if such declaration thereafter has been rescinded and annulled under the provisions of **Section 802** of this Indenture, then, subject to the provisions of subsection (a)(2) above of this Section in the event that the Principal Component with respect to any of the Outstanding Certificates later becomes due or is declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a)(1) of this Section.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be a Certificate Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Registered Owner of any unpaid Certificate until such Certificate shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

(c) Whenever all amounts representing Principal and Interest Components with respect to all Outstanding Certificates have been paid under the provisions of this Section, and all expenses and charges of the Trustee and the Paying Agents have been paid, any balance remaining in the Certificate Fund shall be paid to the City.

Section 809. Remedies Cumulative. No remedy herein conferred upon or reserved to the Trustee or to the Registered Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or the Registered Owners hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default or Event of Nonappropriation shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or Event of Nonappropriation or acquiescence therein; and every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default or Event of Nonappropriation hereunder, whether by the Trustee or the Registered Owners, shall extend to or shall affect any subsequent Event of Default or Event of Nonappropriation or shall impair any rights or remedies consequent thereon.

Section 810. Waivers of Event of Default or Event of Nonappropriation. Subject to the provisions of **Section 802** of this Indenture, the Trustee may waive any Event of Default or any Event of Nonappropriation hereunder and its consequences and rescind any declaration of maturity of Rental Payments and Additional Payments, and shall do so upon the written request of the Owners of at least a majority in aggregate principal amount of all Certificates then Outstanding. In case of any such waiver or rescission, or in case any proceedings taken by the Trustee under this Indenture on account of any such

Event of Default or Event of Nonappropriation are discontinued or abandoned for any reason, or are determined adversely, then and in every such case the Trustee and the Registered Owners shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been undertaken.

ARTICLE IX

THE TRUSTEE

Section 901. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts as a prudent person, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, prior to the occurrence of an Event of Default or an Event of Nonappropriation and after the curing of all Events of Default or Events of Nonappropriation which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default or an Event of Nonappropriation shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs in exercising any rights or remedies or performing any of its duties hereunder.

(b) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, attorneys or receivers. The Trustee shall be entitled to act or refrain from acting upon the opinion or advice of Counsel concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of Counsel.

(c) The Trustee shall file continuation statements to the extent required by the Uniform Commercial Code of the State. The Trustee shall not be responsible for any recital herein or in the Certificates, or for the recording or re-recording, filing or re-filing of this Indenture or any financing statements (other than continuation statements) in connection therewith, or for insuring the Project Site or collecting any insurance moneys, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency of the security for the Certificates. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of moneys made by it in accordance with **Article VII** of this Indenture.

(d) The Trustee shall not be accountable for the use of any Certificates executed and delivered as provided hereunder. The Trustee, in its individual or any other capacity, may become the Registered Owner or pledgee of Certificates with the same rights which it would have if it were not Trustee.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any Ordinance, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document specified by this Indenture and believed by the

Trustee to be genuine and correct and to have been signed, presented or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authorized consent of any Person who, at the time of making such request or giving such authority or consent is the Registered Owner of any Certificate, shall be conclusive and binding upon all future Registered Owners of the same Certificate and upon Certificates delivered in exchange therefor or upon transfer or in substitution thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture, the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed by an Authorized City Representative as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has been notified as provided in **Section 901(h)** of this Indenture or of which by said Section the Trustee is deemed to have notice, the Trustee may also accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder except failure by the City to cause to be made any of the payments to the Trustee required to be made in **Article VI** of this Indenture and **Article V** of the Lease, unless the Trustee shall be specifically notified in writing of such Event of Default by the Registered Owners of at least 10% in aggregate Principal Components with respect to all Certificates then Outstanding, which notice of Event of Default the Trustee shall be required to accept.

(i) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but shall not be required, to inspect any and all books, papers and records of the City pertaining to the Project and the Certificates, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect to the execution of its trusts and powers hereunder or otherwise with respect to the Project Site or the Project. The Trustee shall have no duty to analyze or review any financial report received by the Trustee or express any opinion concerning the contents of any financial report or the Official Statement and shall have no responsibility for the contents or accuracy of such reports or the Official Statement.

(k) The Trustee shall have the right, but shall not be required, to demand, with respect to the execution of any Certificates, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right to the withdrawal of any cash, the release of any property, or the taking of any other action by the Trustee.

(l) Before taking any action under this Indenture, other than the making of payments to Registered Owners of Principal and Interest Components of the Rental Payments represented by the Certificates or accelerating the maturity of Certificates pursuant to **Section 802** of this Indenture, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all costs and

expenses to which it may be put and to protect it against all liability which it may incur in or by reason of such action, except liability which is adjudicated to have resulted from its negligence or willful misconduct by reason of any action so taken.

(m) The Trustee may elect not to proceed in accordance with the directions of the Owners of the Certificates without incurring any liability to the Certificate Owners if in the opinion of the Trustee such direction may result in environmental or other liability to the Trustee, in its individual capacity, for which the Trustee has not received indemnity pursuant to this Section, and the Trustee may rely conclusively upon an Opinion of Counsel in determining whether any action so directed may result in such liability.

(n) The Trustee may inform the Certificate Owners of environmental hazards that the Trustee has reason to believe exist, and the Trustee has the right to take no further action and, in such event no fiduciary duty exists which imposes any obligation for further action with respect to the Trust Estate or any portion thereof if the Trustee, in its individual capacity, determines that any such action would materially and adversely subject the Trustee to environmental or other liability for which the Trustee has not received indemnity pursuant to this Section.

(o) Notwithstanding any other provision of this Indenture to the contrary, any provision intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Trustee shall be interpreted to include any action of the Trustee whether it is deemed to be in its capacity as Trustee, Certificate Registrar or Paying Agent.

(p) The Trustee shall not be responsible for and makes no representation as to the legality, effectiveness or sufficiency of any security document or for the creation, perfection, priority or protection of any lien securing the Certificates. The Trustee shall not be responsible for filing or for the sufficiency or accuracy of any financing statements initially filed to perfect security interests granted under this Indenture. The Trustee shall file continuation statements with respect to each U.C.C. financing statement filed at the time of the issuance of the Certificates; provided that a copy of the filed initial financing statement is timely delivered to the Trustee. In addition, unless the Trustee shall have been notified in writing by the City that any such initial filing or description of collateral was or has become defective, the Trustee shall be fully protected in (a) relying on such initial filing and descriptions in filing any financing or continuation statements or modifications thereto pursuant to this Section and (b) filing any continuation statements in the same filing offices as the initial filings were made. The City shall be responsible for the customary fees charged by the Trustee for the preparation and filing of continuation statements and for the reasonable costs incurred by the Trustee in the preparation and filing of all continuation statements hereunder.

Section 902. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment of or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances, agent and counsel fees and other ordinary expenses reasonably and necessarily made or incurred by the Trustee in connection with such ordinary services and, in the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent for the Certificates. Pursuant to the provisions of **Section 5.2** of the Lease, the City has agreed to pay, as Additional Payments, to the Trustee all fees, charges and expenses of the Trustee under this Indenture. Upon the occurrence of an Event of Default or an Event of Nonappropriation and during its continuance, the Trustee shall have a first lien

with right of payment prior to payment on account of amounts representing Principal Components, premium, if any, or Interest Components with respect to any Certificate, upon all moneys in its possession under any provisions of this Indenture for the foregoing advances, fees, costs and expenses incurred and unpaid.

Section 903. Notices to Registered Owners. If a default occurs of which the Trustee is by **Section 901(h)** of this Indenture required to take notice, or if notice of default is given as provided in said Section, or if the Trustee has actual knowledge that there has been a failure to renew or a deficiency in the insurance coverages required by the Lease, then the Trustee shall, immediately after knowledge of such default, give written notice thereof to the Registered Owners of all Certificates then Outstanding, as shown by the Certificate Register.

Section 904. Intervention by the Trustee. In any judicial proceeding to which the City is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the Registered Owners, the Trustee may intervene on behalf of Registered Owners and shall do so if requested in writing by the Registered Owners of at least 25% of the aggregate principal amount of Certificates then Outstanding if provided with indemnity pursuant to **Section 901(i)** of this Indenture.

Section 905. Successor Trustee upon Merger, Consolidation or Sale. Any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 906. Resignation of the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 30 days' written notice to the City and the Registered Owners whose names and addresses are on file with the Trustee, and such resignation shall take effect upon the earlier of (i) the end of such 30 days or (ii) the appointment of a successor Trustee by the City or by the Owners of at least a majority in aggregate stated Principal Components represented by the Certificates then Outstanding in accordance with **Section 908** of this Indenture; provided, however, that in no event shall the resignation of a Trustee or successor Trustee become effective until such time as a successor Trustee has been appointed and has accepted the appointment in accordance with **Section 909** of this Indenture. If at any time the Trustee shall cease to be eligible to act as trustee in accordance with the provisions of this Indenture, the Trustee shall immediately resign in the manner provided in this Section. In the event that the City or the Registered Owners of at least a majority in aggregate Principal Components represented by the Certificates then Outstanding fail to appoint a successor Trustee within 30 days after notice of resignation has been given by the Trustee, the Trustee shall have the right to petition a court to appoint a successor Trustee.

Section 907. Removal of the Trustee. The Trustee may be removed at any time for any breach of trust or by an instrument or concurrent instruments in writing delivered (a) to the Trustee and the City and signed by the Registered Owners of not less than a majority in aggregate Principal Components represented by the Certificates then Outstanding, or (b) to the Trustee and the Registered Owners and signed by the City (so long as no Event of Default or Event of Nonappropriation shall have occurred and being continuing). In no event shall the removal of a Trustee or successor Trustee become effective until such time as a successor Trustee has been appointed and has accepted such appointment. In the event that the City or the Registered Owners of at least a majority in aggregate Principal Components represented by the Certificates then Outstanding fail to appoint a successor Trustee within 30

days after said instrument or concurrent instruments removing the Trustee are delivered to the Trustee, the Trustee shall have the right to petition a court to appoint a successor Trustee.

Section 908. Appointment of Successor Trustee. In case the Trustee shall resign or be removed, or shall otherwise become incapable of acting, or in case it shall be taken under the control of any public officer or officers or of a receiver appointed by a court, a successor Trustee may be appointed by the Registered Owners of a majority in aggregate principal amount of Certificates then Outstanding by an instrument or concurrent instruments in writing; provided, nevertheless, that in case of such vacancy and so long as no Event of Default or Event of Nonappropriation hereunder shall have occurred and be continuing, the City, by an instrument executed and signed by its Mayor and attested by its City Clerk under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Registered Owners or the City in the manner above provided; and any such temporary Trustee so appointed by the City shall immediately and without further act be superseded by the successor Trustee so appointed by such Registered Owners. Every such Trustee appointed pursuant to the provisions of this Section shall warrant at the time of accepting such trust and exercising the powers of the Trustee hereunder that (i) it is a trust company or bank in good standing located in or incorporated under the laws of one of the states of the United States of America, (ii) it is duly authorized to exercise trust powers and is qualified to accept such trust, (iii) it is subject to examination by a federal or state authority, (iv) it shall maintain a reported capital and surplus of not less than \$75,000,000. If such institution publishes reports of conditions at least annually pursuant to law or regulation, then for the purposes of this Section, the capital and surplus of such institution shall be deemed to be its capital and surplus as set forth in its most recent report of condition so published.

Section 909. Vesting of Trusts in Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the City an instrument in writing accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed or conveyance, become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor; but such predecessor shall, nevertheless, on the written request of the City, and upon receipt of the payment of its outstanding fees and expenses, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder; and every predecessor Trustee shall deliver to its successor all securities and moneys held by such predecessor as Trustee hereunder and the duties and obligations of the predecessor Trustee hereunder shall thereafter cease and terminate. Should any instrument in writing from the City be required by any predecessor or successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

Section 910. Right of Trustee to Pay Taxes and Other Charges. In case any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Project Site is not paid as required herein or in the Lease, the Trustee may pay such tax, assessment or governmental charge or insurance premium, without prejudice, however, to any rights of the Trustee or the Registered Owners hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment at a rate per annum equal to the Prime Rate in effect at the time plus 2%, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of amounts representing Principal Components, premium, if any, or Interest Components with respect to the Certificates, and shall be paid out of the proceeds of payments, revenues and receipts collected from the Project Site, if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the Registered Owners of at least 25% of the aggregate principal amount

of Certificates then Outstanding and shall have been provided adequate funds for the purpose of such payment.

Section 911. Trust Estate May Be Vested in Co-Trustee.

(a) It is the intent of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the State) denying or restricting the right of banking corporations or associations or trust companies to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, the Lease or the Base Lease, and in particular in case of the enforcement of one or more of the same on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction the Trustee may not exercise any of the powers, rights or remedies herein granted to it, or to take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable for the Trustee to appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee.

(b) Any co-trustee appointed pursuant to this Section must comply with clause (iii) of **Section 908** of this Indenture; relating to the size of such co-trustee.

(c) In the event that the Trustee appoints an additional individual or institution as a co-trustee or separate trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

(d) Should any deed, conveyance or instrument in writing from the City be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to the co-trustee or separate trustee such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

(e) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a successor to such co-trustee or separate trustee.

Section 912. Annual Accounting. The Trustee shall render an accounting at least annually to the City and to any Registered Owner requesting the same, showing in reasonable detail all financial transactions relating to the Trust Estate during the accounting period and the balance in any Funds created by this Indenture as of the beginning and close of such accounting period.

Section 913. Performance of Duties under the Lease. The Trustee hereby accepts and agrees to perform all duties and obligations specifically assigned to it under the Lease.

ARTICLE X

SUPPLEMENTAL INDENTURES

Section 1001. Supplemental Indentures Not Requiring Consent of Registered Owners. The City and the Trustee may from time to time, subject to the provisions of **Section 1302** of this Indenture, without the consent of or notice to any of the Registered Owners, enter into a Supplemental Indenture or Supplemental Indentures not inconsistent with the terms and provisions of this Indenture, for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Indenture or make any other change which in the judgment of the Trustee is not prejudicial to the Trustee or materially adverse to the security of the Registered Owners (provided the Trustee is entitled to receive and rely upon an opinion of counsel in exercising such judgment);

(b) To grant to or confer upon the Trustee for the benefit of the Registered Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Registered Owners or the Trustee or either of them;

(c) To more precisely identify the Project or the Project Site or the Trust Estate or to add property thereto;

(d) To subject to this Indenture additional revenues, properties or collateral;

(e) To comply with the arbitrage rebate requirements of Section 148(f) of the Code; and

(f) To deliver Additional Certificates as provided in **Section 209** of this Indenture.

Section 1002. Supplemental Indentures Requiring Consent of Registered Owners.

(a) Exclusive of Supplemental Indentures covered by **Section 1001** above and subject to the terms and provisions contained in this Section and **Section 1302** of this Indenture, with the prior written consent of the Registered Owners of not less than a majority in aggregate Principal Components represented by the Certificates then Outstanding, the City and the Trustee shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to execute such other Supplemental Indenture or Supplemental Indentures as shall be deemed necessary and desirable by the City for the purpose of modifying, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, that nothing in this Section contained shall permit or be construed as permitting without the consent of the Registered Owners of 100% in aggregate Principal Components represented by the Certificates then Outstanding (1) an extension of the maturity or mandatory prepayment date of any installment representing Principal or Interest Components with respect to any Certificate delivered hereunder, (2) a reduction in the Principal Component represented by any Certificate or the rate of interest with respect thereto, (3) a privilege or priority of any Certificate or Certificates over any other Certificate or Certificates, (4) a reduction in the aggregate Principal Components represented by the Certificates, (5) a change to the optional, extraordinary optional or special mandatory prepayment provisions in this Indenture, or (6) a change to this Section.

(b) If at any time the City requests the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section, the Trustee shall cause notice of the proposed execution of such Supplemental Indenture to be mailed to each Registered Owner as shown on the Certificate Register.

Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection. If within 60 days or such longer period as may be prescribed by the City following the mailing of such notice, the requisite percentage of Registered Owners shall have consented to and approved the execution thereof as herein provided, no Registered Owner of any Certificate shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof.

Section 1003. Opinion of Counsel. Before the City and the Trustee enter into any Supplemental Indenture pursuant to this Article, there shall have been delivered to the City and the Trustee an Opinion of Special Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture, will upon the execution and delivery thereof be valid and binding upon the City in accordance with its terms, and will not adversely affect the validity of the Certificates or the exclusion from federal gross income of interest on any Certificates that have been delivered.

ARTICLE XI

AMENDMENTS TO THE BASE LEASE OR THE LEASE

Section 1101. Amendments to the Base Lease or the Lease Not Requiring Consent of Registered Owners. The City and the Trustee shall, without the consent of or notice to any of the Registered Owners, enter into any amendment, change or modification of the Base Lease or the Lease as may be required (a) by the provisions of the Base Lease, the Lease or this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission in the Base Lease, the Lease or in connection with any other change therein which, in the judgment of the Trustee, is not to the prejudice of the Trustee or materially adverse to the security for the Registered Owners (provided the Trustee is entitled to receive and rely upon an opinion of counsel in exercising such judgment), (c) so as to more precisely identify the Project or the Project Site or add property thereto, or (d) in connection with the delivery of Additional Certificates under **Section 209** of this Indenture.

Section 1102. Amendments to the Base Lease or the Lease Requiring Consent of Registered Owners. Except for the amendments, changes or modifications as specified in **Section 1101** of this Indenture, neither the City nor the Trustee shall execute any other amendment, change or modification of the Base Lease or the Lease without the giving of notice and the obtaining of the written approval or consent of the Registered Owners of not less than a majority in aggregate Principal Components represented by the Certificates at the time Outstanding given and obtained as provided in **Section 1002** of this Indenture. The Trustee shall cause notice of such proposed amendment, change or modification to be given in the same manner as provided in **Section 1002** of this Indenture with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the same are on file at the corporate trust office of the Trustee or such other office as the Trustee shall designate for inspection by all Certificate Owners.

Section 1103. Opinion of Counsel. Before the City and the Trustee consent to any amendment, change or modification of the Base Lease or the Lease, there shall have been delivered to the City and the Trustee an Opinion of Special Counsel stating that the amendment, change or modification of the Base Lease or the Lease is authorized or permitted by this Indenture and the instrument amended, changed or modified, will upon the execution and delivery thereof be valid and binding upon the City in accordance with its terms, and will not adversely affect the validity of the Certificates or the exclusion from federal gross income of interest on any Certificates that have been delivered.

ARTICLE XII

SATISFACTION AND DISCHARGE OF THIS INDENTURE

Section 1201. Satisfaction and Discharge of this Indenture.

(a) When the Principal Components, premium, if any, and Interest Components with respect to all the Certificates shall have been paid in accordance with their terms or provision has been made for such payment, as provided in **Section 1202** of this Indenture, and provision has also been made for paying all other sums payable hereunder, including the fees, costs, charges and expenses of the Trustee and the Paying Agent to the date of retirement of the Certificates and all sums payable under the Lease, then the right, title and interest of the Trustee under this Indenture shall thereupon cease, determine and be void, and thereupon the Trustee shall cancel, discharge and release this Indenture and shall execute, acknowledge and deliver to the City such instruments of satisfaction and discharge or release as shall be requisite to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the City any property at the time subject to this Indenture which may then be in the Trustee's possession, except funds or securities in which such moneys are invested and held by the Trustee for the payment of the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates.

(b) The City is hereby authorized to accept a certificate of the Trustee stating that all amounts with respect to the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates due and payable upon all of the Certificates then Outstanding has been paid or provision for such payment has been made in accordance with **Section 1202** of this Indenture as evidence of satisfaction of this Indenture.

Section 1202. Certificates Deemed to Be Paid.

(a) Certificates or any portion thereof shall be deemed to be paid within the meaning of this Article when payment of the Principal Component, premium, if any, and Interest Component of the Rental Payments represented by the Certificates being paid to the due date thereof (whether such due date is by reason of maturity or upon prepayment as provided in this Indenture, or otherwise), either (1) shall have been made or caused to be made in accordance with the terms hereof, or (2) provision therefor shall have been made by depositing with the Trustee or other duly authorized escrow agent, in trust and irrevocably setting aside exclusively for such payment, (i) moneys sufficient to make such payment or (ii) Defeasance Obligations maturing as to principal and interest, without reinvestment, in such amount and at such times as will ensure the availability of sufficient moneys to make such payment. At such time as a Certificate shall be deemed to be paid hereunder as aforesaid, such Certificate shall no longer be secured by or be entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Defeasance Obligations.

(b) Notwithstanding the foregoing, in the case of any Certificate which by its terms may be prepaid prior to the stated maturity thereof, no deposit under clause (2) of subsection (a) above shall be deemed a payment of such Certificates as aforesaid until, as to all such Certificates which are to be prepaid prior to their respective stated maturities, (1) proper notice of such prepayment shall have been given in accordance with **Article III** of this Indenture or irrevocable instructions shall have been given to the Trustee to give such notice and (2) in the case of Certificates which do not mature or will not be prepaid within 90 days of the deposit referred to in (a) above, there shall have been delivered to the

Trustee a verification report of an independent certified public accounting firm as to the adequacy of the trust funds to fully pay the Certificates deemed to be paid.

(c) Notwithstanding any provision of any other Section of this Indenture which may be contrary to the provisions of this Section, all moneys or Defeasance Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of Certificates (including premium, if any) and Interest Components with respect thereto shall be applied to and be used solely for the payment of the particular Certificates (including premium, if any) and Interest Components with respect thereto to which such moneys and Defeasance Obligations have been so set aside in trust.

(d) Provision for payment of the Certificates Outstanding hereunder may not be made as aforesaid nor may this Indenture be discharged if under any circumstances the Interest Component of the Rental Payments represented by such Certificates is thereby made subject to federal income taxation. In determining the foregoing, the Trustee may rely upon an opinion of Special Counsel to the effect that so providing for the payment of any Certificates will not cause the Interest Component of the Rental Payments to be includable in gross income for federal income tax purposes.

ARTICLE XIII

SCHEDULE 2 TO TRUST INDENTURE

THE PROJECT

The Project allows for the Central Wastewater Treatment Plant and Equalization Basin (CWWTP) to be upgraded, accommodating residential and commercial growth on the west side of the City. Upon completion of the Project the CWWTP will have sufficient capacity to manage approximately 3.8 million gallons of wastewater per day. The Main Street Lift Station, which is located adjacent to the gate of the CWWTP, will be upgraded with new pumps and backup power sufficient to meet the capacity needed during peak flow and loss of power periods.

In addition, the City has seen increased growth in the area of Menard's Plaza (located on the west side of the City) and increasing requests for service. The Menard's Lift Station is currently undersized and requires replacement. Upon completion of the Project, replacement of the Menard's Lift Station with a larger regional lift station to the north, will allow for increased flow already occurring in the area; for overall growth presently occurring and connection of additional rate payers adjacent to the new sewer line.

Further, the Project includes upgrades to the Thompson Meadows Lift Station will allow for increased flow from new businesses within the industrial park as well as new residential growth south of U.S. Highway 50 near West Main Street. Lastly, if funding is available, new sewer mains and lift stations are being constructed to handle identified areas of growth to the north and west. Alternative funding for these projects will be used to complete these added expansions as needed.

In addition, the Project includes improvements being refinanced by refunding the Refunded Certificates. Those improvements financed with the Refunded Certificates included multiple improvements to the City's wastewater system to reduce inflow and infiltration of stormwater into the sanitary sewer system. The City's sewage collection and transmission systems have experienced periodic sanitary sewer overflows and bypasses at pumping stations and from overflow basins at each of the City's three wastewater treatment facilities. As a result, the City entered into a consent order with the Missouri Department of Natural Resources to inspect and evaluate its sewer system and make necessary repairs, replacements and updates to prevent these overflows and bypasses. In addition to sewer line and manhole replacement, repair and rehabilitation, the City anticipates creating overflow "holding areas" which will permit wastewater and stormwater detention to prevent backups and bypasses without permitting discharge of untreated sewage. In addition, a portion of the proceeds were used to add equipment to perform a disinfectant process at one or more of the City's wastewater treatment plants.
