#### VISION STATEMENT

Dynamic life and Comfortable living in Greater Missouri

#### MISSION

The City of Sedalia is committed to meeting the needs of our community through professional leadership and operational excellence.

We deliver efficient, quality municipal services, create opportunities for growth and protect the quality of life that makes our community a desirable place to live.

## Progress Along the Prairie Queen Trail

The installation of scrap tire material for Phase II of the Prairie Queen Trail has been completed. This trail, located near 2420 S. New York Avenue, is the newest of Sedalia's walking trails and a completion ceremony date and time will be announced soon.

You may wonder where all the tire material for projects such as the Prairie Queen Trail is obtained. Some of these places are located right here within our community! Whenever you conduct business with a tire store and have your old tires replaced with newer tires, you can opt for that tire company to recycle your old tires for you at a minimal fee! Do you happen to have an old tire just hanging around your property? This tire can also be taken to one of our local tire companies for recycling, at a minimal fee. Listed below is contact information for local tire companies who offer the tire recycling services plus an approximate range of prices for the recycling cost per type of tire.

Name	Address	Phone Number	Accepts
<b>Firestone</b>	3128 W. Broadway	(660) 851-8731	A, P, +Trailer Tires
