

# KATY TRAIL COMMUNITY HEALTH HAS EXPANDED THEIR COVID-19 TESTING.

## *Criteria for Testing*

- People who are immunocompromised
- Healthcare employee
- People 65 years or older
- People with a chronic disease
- Women who are pregnant or up to 2 weeks postpartum
- Institutionalized patients, long term care, group home
- Homeless people
- People with long term prednisone use
- People with fever, cough and shortness of breath

You must have a doctor's order to be tested. If you do not have a primary care doctor, Katy Trail Community Health can determine if you meet the testing criteria.

**Call 1-877-733-5824**
