ROAD CLOSED TO THROUGH TRAFFIC: WATER LINE IMPROVEMENTS ON S. MISSOURI AVE. BETWEEN W. 6TH AND W. 7TH STREET

(SEDALIA, MISSOURI): The Water Division's contractor will be closing S. Missouri Ave between W. 6th and W. 7th Street to through traffic beginning at 7:00 a.m. on Wednesday, May 1, 2019 to allow for water main improvements, weather permitting. The street will re-open to through traffic on Friday, May 3, 2019 at 5:30 p.m. Drivers will want to avoid this area and use an alternate route on these days to avoid delays.

The work on water lines in the area requires placement of equipment that will block the roadway while new pipes are installed. The alley at mid-block between 6th and 7th Streets will remain open for homeowners accessing their garages from the alley.

We apologize for any inconvenience this road closure may cause as we work to improve the roadway.
