NORTH SIDE OF INTERSECTION CLOSED TO THROUGH TRAFFIC S. PARK AVE. AT W. BROADWAY BLVD (U.S. HIGHWAY 50)

(SEDALIA, MISSOURI): The Water Division's contractor is scheduled to complete work on the north side of the intersection of S. Park Ave. and W. Broadway Blvd. (U.S. Highway 50) beginning at 7:00 a.m. on Monday, July 1, 2019 and continuing through Wednesday, July 3, 2019 at 5:00 p.m.

The work on water lines in the area requires placement of equipment that will block the roadway while new pipes are installed. The alley between W. 7th Street and W. Broadway Blvd. on S. Park Ave. will remain open for residents accessing parking via the alley. The street will re-open to through traffic on Wednesday, July 3, 2019 at 5:00 p.m., dependent on weather allowing for completion of the work.

Drivers will want to avoid this area and use an alternate route to avoid delays.

We apologize for any inconvenience these road closures may cause as we work to improve the City's water distribution system.
